Divergent by Veronica Roth, reviewed by Len Newland

<http://www.infinitas.com.au/Product.php?bar=9780007420421>

We're in a future decayed city where, to prevent war, much of the human race is divided into five "factions" each focussed on a different virtue. This utopia is paid for by the "factionless", who do the menial jobs for bare subsistence and aren't further described. First person Tris having turned 16 must choose which faction to belong to, but at the aptitude test the day before the choosing ceremony she's told she is "divergent", meaning she doesn't fit neatly into any faction. She's also warned that it will be dangerous if anyone finds out, but she isn't told what the danger is. The narrative ends suddenly without dénouement leaving Tris holding the story trophy in the presence of a couple of the bad guys, at least one of whom is eyeing off the trophy covetously, so you know when you get to that point (and not before) that this is only book 1 of a serialised sequence, but the publisher doesn't say so anywhere on or between the covers of my copy, which is misrepresentation of product.

I found the book absorbing. It's a social fantasy aimed at 14- to 16-year-old girls (publisher is Harper Collins Children's Books), and as such, descriptions of the social setup and the world at large are minimal and the heroic characters are all 16 to 18. Generally, the story line reads rather like that of a high school student derailing the corrupt town Mayor as she graduates from school. The narrative begins the day before the choosing ceremony and stops the day after Tris completes her several months' "initiation" (apprenticeship) in her chosen faction. In this brief period, she (and the reader) discover the salient features of the story world while the bad guys become evident and the narrative builds up to the graduation day climactic action. Tris has a romance that undoubtedly continues in later instalments, where I'd expect her to discover more of the social setup and the factionless, and learn what's beyond the city's outlying farms. I thought it good that it takes most of the book to develop the impact of the important "divergent" concept on both Tris and the story world. I also liked that Tris is the story hero rather than heroine despite the romance (there is a difference and it's not gender based). The rules of English are applied inconsistently (although with little reading hiccup), and the narrative is in present tense, for which I didn't see any point. Overall, I would think that young readers who don't mind stories going beyond one pair of covers without being told in advance will well enjoy this one.

Arkham Horror board game reviewed by Dan

<http://www.infinitas.com.au/Product.php?bar=9781589942103>

Arkham Horror is a game for 1-8 players based in the Cthulu Mythos by Lovecraft. The players are the investigators in the town of Arkham, trying to defeat the Deep One from rising and taking over the world.

The game is co-operative (players vs the board), so is ideal to teach new players as you *want* to teach them all the little tricks, after all, either you all win, or you all lose. There are variables that allow for the player count to be anywhere from 1-8, and due to the co-operative play, each real player could run multiple characters without conflict, including playing solo. The game changes depending on which characters are being used as well as which Deep One, as each has their own special abilities that influence play, as well as random monsters and cards drawn.

This is a 2-8 hour game, depending on number and experience of players, as well as how many expansion are used, so set aside an afternoon for some evil fighting! With all 3 board expansions you can expand to 10 players.

Fire by Kristin Cashore, reviewed by Jonathan Dean

<http://www.infinitas.com.au/Product.php?bar=9780575085138>

Fire is a Monster, marked out by her flaming red hair, her ability to attract people, and to control them. On sight, you are overwhelmed by her beauty, and fall under her spell, unless you're strong enough to resist the compulsion. Very few have that strength. Throw in the training of her skills of mind control by her father, and you have a lethal weapon. This is the second book by Cashore set in this world, albeit distant in location from the first, and it's different from Graceling. Very. In Graceling, people have particular skills, known as Graces, which they specialise in, and they're identifiable by mismatched eye colours. In Fire, they have Monsters, identified by their unusual colours, and the locals mean it when they call them monsters. No control, no discipline, internal or external, and the abilities to truly affect the lives of those around them, usually not for the better. After all, why work for the benefit of others, when you could have it all yourself, even if it means killing anyone in your way?

This was an unusual book, and I will admit, difficult to read at first. The characters are difficult to feel sympathy for, especially as the personas are revealed. To be honest, I found certain of the attitudes of the main characters repugnant & pointlessly cruel, but as the plot develops, you begin to see a change coming through them. The basic story follows Fire through time, starting before she was born, and following her as she grows, learns & goes out into the world. Whilst she is a Monster, she still retains human qualities, including an appreciation of right & wrong, which is a major part of her problems. Afraid of her capabilities, she hides away from people, avoiding them, and protecting them from her. But things change & she is forced to go out into the world, where she must deal with others, and learn to survive using her skills. Can she make it, and retain her humanity, or will the Monster in her take over? The other question is whether she can build her own life, or will that choice be removed by others? A fascinating concept for a novel, and one which raises far more questions than it answers, especially in terms of the ethics of power. Definitely worth a read, but be prepared to have to force your way through the starting sequences, until you get intrigued.

Expand your mind, Enter new worlds.

Darker After Midnight (*Midnight Breeds 10*) Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9780345530875

In the dark of night, a blood war escalates within the hidden world of the Breed. After existing in secret for many long centuries, maintaining a fragile peace with the humans who walk beside them unaware, a single act of retaliation has put the entire vampire nation at risk of discovery. It falls to the Order's a cadre of Breed warriors pledged to protect their own and humankind alike to stop Dragos, the power-mad vampire at the center of the conflict, before his push for domination can explode into catastrophe.

At the center of the Order's quest is Sterling Chase, once a morally rigid enforcer of Breed law, now a warrior fallen from grace, whose biggest battle is the one he wages against his own savage nature. With addiction beckoning him toward eternal darkness, Chase's path to redemption has never seemed more out of reach. But when his eyes meet those of Tavia Fairchild, a beautiful witness who identifies him at the scene of a mission gone terribly wrong, Chase finds himself drawn to the woman and convinced she is something much more than she seems.

Pulled into a vortex of intrigue and danger she can neither resist nor understand, Tavia is uncertain whom to trust. And while everything sane and logical warns her against getting close to Chase, she cannot deny that the handsome, deeply haunted male stirs something primal and ravenous within her. But even as she surrenders to her cravings, nothing can prepare her for the shattering truth of who and what she truly is.

As the Order's enemy mobilizes for the battle of the ages, Dragos and his Minions unleashing a hell on Earth like nothing ever seen before, Chase and Tavia are thrust into the heart of the violence. With time running out and the streets running red with the blood of innocent lives, both Breed and human, together Chase and Tavia must find a way to defeat Dragos once and for all or die trying.

Throne of the Crescent Moon Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9780756407117

The Crescent Moon Kingdoms, home to djenn and ghuls, holy warriors and heretics, are at the boiling point of a power struggle between the iron-fisted Khalif and the mysterious master thief known as the Falcon Prince. In the midst of this brewing rebellion a series of brutal supernatural murders strikes at the heart of the Kingdoms. It is up to a handful of heroes to learn the truth behind these killings.

Doctor Adoulla Makhslood, "the last real ghul hunter in the great city of Dhamsawaat," just wants a quiet cup of tea. Three score and more years old, he has grown weary of hunting monsters and saving lives, and is more than ready to retire from his dangerous and demanding vocation. But when an old flame's family is murdered, Adoulla is drawn back to the hunter's path.

Raseed bas Raseed, Adoulla's young assistant, is a hidebound holy warrior whose prowess is matched only by his piety. But even as Raseed's sword is tested by ghuls and manjackals, his soul is tested when he and Adoulla cross paths with the tribeswoman Zamia.

Zamia Badawi, Protector of the Band, has been gifted with the near-mythical power of the lion-shape, but shunned by her people for daring to take up a man's title. She lives only to avenge her father's death. Until she learns that Adoulla and his allies also hunt her father's killer. Until she meets Raseed.

When they learn that the murders and the Falcon Prince's brewing revolution are connected, the companions must race against time and struggle against their own misgivings to save the life of a vicious despot. In so doing they discover a plot for the Throne of the Crescent Moon that threatens to turn Dhamsawaat, and the world itself, into a blood-soaked ruin.

Sir Dominic Flandry: The Last Knight of Terra (Technic Civilization 06 Flandry) Paperback \$19.95

www.infinitas.com.au/Product.php?bar=9781451638226

In the twilight of the Terran Empire, one man exists who can save his empire—and civilization itself—by hook or by crook, whether his "betters" appreciate his efforts or not. Flandry is both a James Bond style agent of empire, and agent-provocateur of change. Flandry is a heroic but tragic figure: a man who knows too much history, who knows that battle and scheme as he will the Long Night of Empire is approaching. If that darkness is not to fall in his own lifetime, must do what he can. And anyone, human or alien, who gets in his way, will most definitely regret it.

Contains three complete Flandry novels collected in one volume for the first time: *The Plague of Masters*, *Go Home*, *Hunters of the Sky Cave* and *A Knight of Ghosts and Shadows*. This is the sixth entry in the seven-volume complete cycle of *The Technic Civilization Saga*.

Into the Darkness Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9781451664300

Hearing a young man's scream in the night the year she becomes a high-school senior, Lorelei discovers that her stern but loving adoptive father is actually a vampire and that he has raised his daughters to seduce and lure men into their world of shadows, a situation that is complicated by her growing feelings for a classmate.

Keri Arthur Australian author

Embraced by Darkness (Riley Jensen 05) B Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9780749955083

Keri Arthur's Riley Jensen Guardian series is packed with everything you need: a feisty heroine, vampires and werewolves, suspense and a whole lot of sexy action.

Just when guardian Riley Jensen thought her life was getting back on track, fate throws another curve ball.

The alpha of her estranged pack - and the man who tried to kill her by throwing her off a mountainside - demands her help to find his missing granddaughter. Riley would love to refuse, but if she does, her mother dies.

And if that isn't enough, something is tearing humans to shreds and it's up to Riley to track down the killer before another soul is embraced by darkness.

Darkest Kiss (Riley Jensen 06) B Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9780749955137

Dark secrets. Dangerous seduction. It all begins with a kiss

With a werewolf's uncanny instinct for danger - and vampire blood coursing her through her veins - Riley Jensen is an officer for the Directorate of Other Races, an organisation created to police supernatural beings. Now she's hunting for a killer who is targeting the rich and the powerful of Melbourne's society.

But for Riley the case takes a chilling turn when a second killer - a crazed young vamp - starts leaving a trail of mutilated bodies of his own. Riley knows she's got the skill and cunning to catch two serial killers at once, until one of them strikes inside her own tight-knit clan - and a sexy beast of a vampire re-enters her life to aid in the hunt.

His name is Quinn. He's lived forever, shed blood and shared pleasure - and he's the only man over whom Riley has absolutely no control

Deadly Desire (Riley Jensen 07) B Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9780749956691

Guardian Riley Jensen always seems to face the worst villains. And this time's no different. For it's no ordinary sorceress who can raise the dead to do her killing. But that's exactly what Riley expects to find at the end of a trail of female corpses used - and discarded - in a bizarre ritual of evil.

With pressure mounting to catch the fiend, the last thing Riley needs is the heat of the upcoming full moon bringing her werewolf hormones to a boil - or the reappearance of a sexy bounty hunter, the rogue wolf Kye Murphy.

Riley has threatened Murphy with arrest if he doesn't back off the investigation, but it's Riley who feels handcuffed by Kye's lupine charm. Torn between her vamp and wolf natures, between her love for Quinn and her attraction to Kye, Riley knows she's courting danger and indulging the deadliest desires. For her hunt through the supernatural underworld will bring her face-to-face with what lurks in a darkness where even monsters fear to tread.

Bound to Shadows (Riley Jensen 08) B Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9780749956745

At a local vampire club, someone is beheading the clientele and the peace the Guardians are meant to maintain is getting shaky. Human and vampire fatalities escalate and Riley Jensen - a rare hybrid of werewolf and vampire - finds herself struggling to make sense of the murders and, in particular, her main suspect: the club's owner Dante Starke and his powerful sexual aura.

And if things weren't bad enough, she's also torn between her love for Quinn and her connection with the unpredictable werewolf Kye - her soulmate.

With the city on the verge of all-out war, Riley must not only capture the killer, but choose between the man she loves and the man she's destined to be with.

Moon Sworn (Riley Jensen 09) B Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9780749956790

Shape-shifting werewolf and vampire Riley Jensen is through with death - causing it, solving it, surviving it. Her soul mate, Kye Murphy, is dead and at Riley's own hands. Not even the seductive embrace of her vampire lover, Quinn, can fully ease her mind, for she has begun questioning everything that makes her Riley, including her job at the Directorate.

But then ritualistically slain bodies of ex-cons start turning up. Reluctantly, Riley takes the case, but something even worse is waiting in the wings. For a vicious enemy from her past is determined to strip Riley of everything that gives her life any meaning: her lover, her twin brother and even her own identity.

Can Riley survive this ultimate assault? All she knows is, she must fight one last time to find answers, before everything goes dark forever

Neal Asher**Hilldiggers** B Paperback \$21.99 www.infinitas.com.au/Product.php?bar=9780330528474

During a war between two planets in the same solar system – each occupied by adapted humans – what is thought to be a cosmic superstring is discovered. After being cut, this object collapses into four cylindrical pieces, each about the size of a tube train. Each is densely packed with either alien technology or some kind of life. They are placed for safety in three ozark cylinders of a massively secure space station. There a female research scientist subsequently falls pregnant, and gives birth to quads. Then she commits suicide – but why?

By the end of the war one of the contesting planets has been devastated by the hilldiggers – giant space dreadnoughts employing weapons capable of creating mountain ranges. The quads have meanwhile grown up and are assuming positions of power in the post-war society. One of them will eventually gain control of the awesome hilldiggers...

Vaudeville: mad, mercenary, dreamy, and absurd, a world of clashing cultures and ferocious showmanship and wickedly delightful deceptions.

But sixteen-year-old pianist George Carole has joined vaudeville for one reason only: to find the man he suspects to be his father, the great Heironomo Silenus. Yet as he chases down his father's troupe, he begins to understand that their performances are strange even for vaudeville: for wherever they happen to tour, the very nature of the world seems to change.

Because there is a secret within Silenus's show so ancient and dangerous that it has won him many powerful enemies. And it's not until after he joins them that George realizes the troupe is not simply touring: they are running for their lives.

And soon...he is as well.

Paula Brackston**The Witch's Daughter** Trade Paperback \$29.95 www.infinitas.com.au/Product.php?bar=9781250004086

An enthralling tale of modern witch Bess Hawksmith, a fiercely independent woman desperate to escape her cursed history who must confront the evil which has haunted her for centuries

My name is Elizabeth Anne Hawksmith, and my age is three hundred and eighty-four years. If you will listen, I will tell you a tale of witches. A tale of magic and love and loss. A story of how simple ignorance breeds fear, and how deadly that fear can be. Let me tell you what it means to be a witch.

In the spring of 1628, the Witchfinder of Wessex finds himself a true Witch. As Bess Hawksmith watches her mother swing from the Hanging Tree she knows that only one man can save her from the same fate: the Warlock Gideon Masters. Secluded at his cottage, Gideon instructs Bess, awakening formidable powers she didn't know she had. She couldn't have foreseen that even now, centuries later, he would be hunting her across time, determined to claim payment for saving her life.

In present-day England, Elizabeth has built a quiet life. She has spent the centuries in solitude, moving from place to place, surviving plagues, wars, and the heartbreak that comes with immortality. Her loneliness comes to an abrupt end when she is befriended by a teenage girl called Tegan. Against her better judgment, Elizabeth opens her heart to Tegan and begins teaching her the ways of the Hedge Witch. But will she be able to stand against Gideon—who will stop at nothing to reclaim her soul—in order to protect the girl who has become the daughter she never had?

The Ruined City (Traitor's Daughter 02) Trade Paperback \$29.95 www.infinitas.com.au/Product.php?bar=9780553583823

Paula Brandon's epic and captivating trilogy continues as magic and mystery wreak havoc with the very fabric of existence.

Reality is wavering. Soon its delicate balance will shift and an ancient force will return to overwhelm the Veiled Isles. Now those with the arcane talent forge an uneasy alliance in hopes that their combined abilities are enough to avert an eerie catastrophe. Yet it may be too late. The otherworldly change has begun. The streets of the city are rife with chaos, plague, and revolt. And it is here that Jianna Belandor, once a pampered daughter of privilege, returns to face new challenges.

The dead walk the streets. The docile amphibian slaves of humanity have taken up arms. Jianna's home lies in ruins. Her only happiness resides in her growing attraction to Falaste Rione, a brilliant nomadic physician whose compassion and courage have led him to take dangerous risks. Jianna, stronger and more powerful than she knows, has a role to play in the unfolding destiny of her world. But a wave of madness is sweeping across the land, and time is running out—even for magic.

Who Goes There B Paperback \$22.99 www.infinitas.com.au/Product.php?bar=9780575091030

A group of scientists. An object buried under the ice. A terrifying fight for survival.

The tie-in to the upcoming blockbuster prequel to John Carpenter's *The Thing* - the never before told story of the original doomed Norwegian expedition.

When a group of scientific researchers, isolated in Antarctica, stumble across an alien spaceship buried in the ice it seems like an incredible opportunity.

The alien pilot can just be seen - a shadowy figure frozen just a short depth into the ice. It looks as though he survived the crash only to be flash-frozen on the Antarctic plateau.

The team fight the frozen conditions to free the ship from the ice - with disastrous consequences - and rescue the alien. As they transport the corpse, one of their greatest finds, out on the ice back to their camp, several scientists begin to experience extraordinary, vivid and unsettling dreams. They're dismissed as the product of stress and the harsh conditions but the nightmare is only beginning.

Shadows in Flight (Shadow) CD - Unabridged \$60 www.infinitas.com.au/Product.php?bar=9781427215680

Ender's Shadow explores the stars in this all-new novel...

At the end of Shadow of the Giant, Bean flees to the stars with three of his children--the three who share the engineered genes that gave him both hyper-intelligence and a short, cruel physical life. The time dilation granted by the speed of their travel gives Earth's scientists generations to seek a cure, to no avail. In time, they are forgotten--a fading ansible signal speaking of events lost to Earth's history. But the Delphikis are about to make a discovery that will let them save themselves, and perhaps all of humanity in days to come.

For there in space before them lies a derelict Formic colony ship. Aboard it, they will find both death and wonders--the life support that is failing on their own ship, room to grow, and labs in which to explore their own genetic anomaly and the mysterious disease that killed the ship's colony.

The Gray Wolf Throne (Seven Realms 03) Trade Paperback \$29.99 www.infinitas.com.au/Product.php?bar=9780007349098

Han Alister thought he had already lost everyone he loved. But when he finds his friend Rebecca Morley near death in the Spirit Mountains, Han knows that nothing matters more than saving her. The costs of his efforts are steep, but nothing can prepare him for what he soon discovers: the beautiful, mysterious girl he knew as Rebecca is none other than Raisa ana'Marianna, heir to the Queendom of the Fells. Han is hurt and betrayed. He knows he has no future with a blueblood. And, as far as he's concerned, the princess's family killed his own mother and sister. But if Han is to fulfill his end of an old bargain, he must do everything in his power to see Raisa crowned queen.

Meanwhile, some people will stop at nothing to prevent Raisa from ascending. With each attempt on her life, she wonders how long it will be before her enemies succeed. Her heart tells her that the thief-turned-wizard Han Alister can be trusted. She wants to believe it -- he's saved her life more than once. But with danger coming at her from every direction, Raisa can only rely on her wits and her iron-hard will to survive--and even that might not be enough.

The Gray Wolf Throne is an epic tale of fierce loyalty, unbearable sacrifice, and the heartless hand of fate.

The Scar Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9780765329936

Reaching far beyond sword and sorcery, The Scar is a story of two people torn by disaster, their descent into despair, and their reemergence through love and courage. Sergey and Marina Dyachenko mix dramatic scenes with romance, action and wit, in a style both direct and lyrical. Written with a sure artistic hand, The Scar is the story of a man driven by his own feverish demons to find redemption and the woman who just might save him.

Egert is a brash, confident member of the elite guards and an egotistical philanderer. But after he kills an innocent student in a duel, a mysterious man known as The Wanderer challenges Egert and slashes his face with his sword, leaving Egert with a scar that comes to symbolize his cowardice. Unable to end his suffering by his own hand, Egert embarks on an odyssey to undo the curse and the horrible damage he has caused, which can only be repaired by a painful journey down a long and harrowing path.

Plotted with the sureness of Robin Hobb and colored with the haunting and ominous imagination of Michael Moorcock, The Scar tells a story that cannot be forgotten.

Orb, Sceptre, Throne (Malazan) Trade Paperback \$32.95 www.infinitas.com.au/Product.php?bar=9780593064511

The tumult of great powers colliding has passed and the city of Darujhistan and its citizens can at last get on with what matters: trading, bickering, politicking and enjoying all the good things in life. However, not all are ready to leave the past behind. A treasure hunter, digging amongst the burial grounds that surround the city, is about to uncover a hidden crypt. He will open the last of a series of sealed vaults - the one that no other dared touch - and, in so doing, set free something so terrifying that the knowledge of its internment may have been systematically wiped from all history. Fortune hunters are also at work far to the south. When a fragment of Moon's Spawn, once the home of Anomander Rake, Son of Darkness, crashed into the Rivan Sea it created a chain of small islands. Legends and rumours already surround them. The most potent of these is that here is hidden the Throne of Night, claimed by some to be the seat of Mother Dark herself. Either way, all who seek this ancient artefact - renegade mages, hardened mercenaries, even a Malazan army deserter - believe it will bestow unlimited power upon the eventual possessor. The stakes are high, greed is rife, betrayal inevitable, and murder and chaos lie in wait... Epic and exciting, Ian Esslemont's new novel is an enthralling new chapter in the thrillingly imagined world of Malaz.

By A Thread (Elemental Assassin 06) Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9781451651768

When killing people is your job, there's no such thing as a vacation.

Then again, how often does an assassin live long enough to enjoy her retirement? In this line of work, you either get lucky or you get dead. And since I destroyed my nemesis Mab Monroe a few weeks ago, all of Ashland's lowlifes are gunning to make a name for themselves by taking out the lethal Spiderme, Gin Blanco. So I'm leaving behind my beloved barbecue joint and heading south with my baby sister, Bria, to cool my heels in a swanky beach town. Call it a weekend of fun in the sun. But when a powerful vampire with deadly elemental magic threatens an old friend of Bria's, it looks like I'll have to dig my silverstone knives out of my suitcase after all. Complicating matters further is the reappearance of Detective Donovan Caine, my old lover. But Donovan is the least of my problems. Because this time, the danger is hot on my trail, and not even my elemental Ice and Stone magic may be enough to save me from getting buried in the sand permanently.

A Crown Imperilled (Chaoswar) Hardcover \$39.99 www.infinitas.com.au/Product.php?bar=9780007264827

War rages in Midkemia but behind the chaos there is disquieting evidence of dark forces at work.

Jim Dasher's usually infallible intelligence network has been cleverly dismantled; nowhere is safe. He feels that the world is coming apart at the seams and is helpless to protect his nation.

Quiet palace coups are underway in Roldem and Rillanon; and King Gregory of the Isles has yet to produce an heir. In each kingdom a single petty noble has risen from obscurity to threaten the throne.

Lord Hal of Crydee and his great friend Ty Hawkins, champion swordsman of the Masters' Court, are entrusted with the task of smuggling Princess Stephané and her lady-in-waiting, the lovely but mysterious Lady Gabriella, out of Roldem to a place of greater safety. But is there any safe haven to be found?

Meanwhile, Hal's younger brothers Martin and Brendan are attempting to hold the strategic city of Ylith against an onslaught of Keshian Dog Soldiers, and a mysterious force from beneath the sea. The Kingdom might lose Crydee and recover; but if Ylith falls, all is lost.

An unknown player appears to orchestrating these conflicts. Can Pug and the Conclave of Shadows track down this source before Midkemia is destroyed?

The Human Blend (Tipping Point 01) Trade Paperback \$29.95 www.infinitas.com.au/Product.php?bar=9780345511980

In this first novel of a thrilling new series set in our near future, New York Times bestselling author Alan Dean Foster reveals a place where criminals are punished through genetic engineering and body manipulation, and poses profound questions about what it means to be human.

Given his name because radical surgery has reduced him to preternatural thinness, Whispr is a thug. In a dark alley in Savannah, Whispr and his partner in crime, Jiminy Cricket, murder what they take to be a random tourist in order to steal his artificial hand. But the victim is also carrying an unusual silver thread, which Whispr and Jiminy grab as well.

Chance later deposits a wounded Whispr at the clinic of Dr. Ingrid Seastrom. Powerful forces have been searching for Whispr since he acquired the mysterious thread, and Jiminy has vanished. All Whispr wants to do is sell the thread, and when he offers to split the profits with Ingrid, she makes an astonishing discovery. So begins the formidable partnership between the Harvard-educated physician and the street-smart thief—as long as they can elude the enhanced assassins that are tracking them.

Distrust That Particular Flavor Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9780399158438

William Gibson is known primarily as a novelist, with his work ranging from his groundbreaking first novel, *Neuromancer*, to his more recent contemporary bestsellers *Pattern Recognition*, *Spook Country*, and *Zero History*. During those nearly thirty years, though, Gibson has been sought out by widely varying publications for his insights into contemporary culture. *Wired* magazine sent him to Singapore to report on one of the world's most buttoned-up states. The *New York Times Magazine* asked him to describe what was wrong with the Internet. *Rolling Stone* published his essay on the ways our lives are all "soundtracked" by the music and the culture around us. And in a speech at the 2010 Book Expo, he memorably described the interactive relationship between writer and reader.

These essays and articles have never been collected—until now. Some have never appeared in print at all. In addition, *Distrust That Particular Flavor* includes journalism from small publishers, online sources, and magazines no longer in existence. This volume will be essential reading for any lover of William Gibson's novels. *Distrust That Particular Flavor* offers readers a privileged view into the mind of a writer whose thinking has shaped not only a generation of writers but our entire culture.

Vengeance Born (Light Blade 01) Trade Paperback \$29.95 www.infinitas.com.au/Product.php?bar=9780425245361

There is no mercy in the demon realm. No escape. In this place of desperation and conflict, anyone who is not pure bred is virtually powerless. Until an unlikely champion is born...

Annika, half-blood daughter of the Na'Reish King, longs for more than her tormented life among her father's people. Conceived in hatred and bred as a tool of retribution, she's gifted with a special talent that can heal as well as destroy.

With the Na'Reish vastly outnumbering them, Kalan, a Light Blade warrior, knows the future of humankind depends on him alone. Incursions into human territory and raids for blood-slaves by the Na'Reish Horde have increased. As Chosen-leader, he faces the task of stopping the demons—and convincing the Council of aging Light Blade warriors that change is necessary for survival.

When Annika learns Kalan is a prisoner in her father's dungeon, her dream of escape seems within reach. She agrees to free him in exchange for his protection once they reach human territory. Now, marked for death for helping him, Annika must learn to trust Kalan as they face not only the perilous journey to the border but enemies within the Council—and discover a shocking truth that could throw the human race into civil war...

Second Grave on the Left (Charley Davidson 02) Trade Paperback \$29.95 www.infinitas.com.au/Product.php?bar=9781250002709

When Charley and Cookie (her best friend/receptionist) have to track down a missing woman, the case is not quite as open and shut as they anticipate. A friend of Cookie's named Mimi disappeared five days earlier. This friend then sends Cookie a cryptic message telling them to meet her at a nearby coffee shop. The coffee is brewing, but Mimi's still missing. There is, however, a clue left on the bathroom wall: a woman's name, scribbled by Mimi. Mimi's husband explains that his wife had been acting strange since she found out an old friend of hers from high school had been murdered a couple weeks prior. The same woman Mimi had named in her message.

Meanwhile, Reyes Alexander Farrow (otherwise known as the Son of Satan. Yes. Literally) has left his corporeal body and is haunting Charley. He's left his body because he's being tortured by demons who want to lure Charley closer. But Reyes can't let that happen. Because if the demons get to Charley, they'll have a portal to heaven. And if they have a portal to heavenâ€¦well, let's just say it wouldn't be pretty. Can Charley handle hot nights with Reyes and even hotter days tracking down a missing woman? Can she keep those she loves out of harm's way? And is there enough coffee and chocolate in the world to fuel

her as she does?

Here is your signpost for the most hilarious read of the summer: Second Grave On The Left.

Stephen King

Mile 81 Paperback \$29.95 www.infinitas.com.au/Product.php?bar=9781442349131

Mile 81 is Stand by Me meets Christine, the story of an insatiable car and a heroic kid. At Mile 81 on the Maine Turnpike is a boarded-up rest stop, a place where high school kids drink and get into the kind of trouble high school kids have always gotten into. It's the place where Pete Simmons, armed only with the magnifying glass he got for his tenth birthday, finds a discarded bottle of vodka in the boarded up burger shack and drinks enough to pass out. Not much later, a mud-covered station wagon (which is strange because there hadn't been any rain in New England for over a week) veers into the Mile 81 rest area, ignoring the sign that says closed, no services. The driver's door opens but nobody gets out.

By the time Pete Simmons wakes up from his vodka nap, there are half a dozen cars at the Mile 81 rest stop. But two kids and a horse are the only living things left...unless you maybe count the wagon. With the heart of Stand By Me and the genius horror of Christine, Mile 81 is Stephen King unleashing his imagination as he drives past one of those road signs.

In the bonus story The Dune, originally published in Granta's October 2011 horror issue, retired Florida Supreme Court Judge Harvey Beecher tells his lawyer about a mysterious sand dune on an unnamed island a short distance off the Gulf coastline of his family's property. Harvey first visited the island at the age of ten in 1932, after his grandfather, a scoundrel and land speculator who'd created the family fortune, told him Blackbeard's treasure might be buried there. Traveling to the island became a daily addiction for Harvey and now his lawyer is about to discover the shocking reason why.

Copper Beach (*Dark Legacy*) Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9780399157875

A rare book. An ancient code. An all-new novel from the New York Times–bestselling master of passion and the paranormal.

Within the pages of very rare books some centuries old lie the secrets of the paranormal. Abby Radwell's unusual psychic talent has made her an expert in such volumes—and sometimes taken her into dangerous territory. After a deadly incident in the private library of an obsessive collector, Abby receives a blackmail threat, and rumors swirl that an old alchemical text known as The Key has reappeared on the black market.

Convinced that she needs an investigator who can also play bodyguard, she hires Sam Coppersmith, a specialist in paranormal crystals and amber—"hot rocks." Passion flares immediately between them, but neither entirely trusts the other. When it comes to dealing with a killer who has paranormal abilities, and a blackmailer who will stop at nothing to obtain an ancient alchemical code, no one is safe.

Sea Hearts Trade Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9781742375052

'Why would I? People are uneasy enough with me - if I start bringing up sea-wives, they'll take against me good and proper.'

'It could be secret.'

'Could it?'

On remote Rollrock Island, the sea-witch Misskaella discovers she can draw a girl from the heart of a seal. So, for a price, any man might buy himself a bride; an irresistibly enchanting sea-wife. But what cost will be borne by the people of Rollrock - the men, the women, the children - once Misskaella sets her heart on doing such a thing?

Margo Lanagan weaves an extraordinary tale of desire and revenge, of loyalty, heartache and human weakness, and of the unforeseen consequences of all-consuming love.

Joe R Lansdale

Act of Love Hardcover \$75 www.infinitas.com.au/Product.php?bar=9781596064171

In 1981, Joe R. Lansdale, then a noted short story writer, published his first novel, a paperback original entitled Act of Love. A ferocious account of the search for a killer known as the Houston Hacker, Lansdale's debut was written years before the Hannibal Lecter phenomenon left its mark on American popular culture, years before the serial killer novel became a distinct and highly marketable publishing category. Thirty years after its initial appearance, this pioneering novel continues to exert a raw but undeniable narrative force. Set in the vividly evoked urban squalor of Houston, Texas, Act of Love moves with great authority between the disordered mind of a compulsive killer and the increasingly desperate perspectives of the policemen who hunt him. In the process, it offers a detailed portrait of a complex murder investigation and anatomizes a city under siege, a city held hostage by a latter day Jack the Ripper. As long time Lansdale readers will note, Act of Love introduces the soon-to-be-familiar figure of homicide detective Marvin Hanson. More importantly, it introduces, in embryonic form, some characteristic authorial virtues: the deceptively effortless prose, the flawless sense of place, the graphic depiction of inhuman violence, and the casually profane, instantly recognizable Lansdale humor. Unavailable for far too long, Act of Love makes a welcome reappearance in this deluxe anniversary edition, which includes the definitive text of the novel, a new introduction by the author, and a never before published short story featuring Marvin Hanson. The result is a significant and necessary act of rediscovery and an irresistible gift for Lansdale aficionados old and new.

Forever Claimed (*Claiming*) Paperback \$14.95 www.infinitas.com.au/Product.php?bar=9780373618781

Since the death of his claimed mate, the only thing that's kept Luc St. Just's heart beating is his quest for vengeance. His contempt for rogue vampires runs deep. So when a mysterious woman is brutally attacked, Luc's protective instincts—and his will to live—are suddenly reawakened.

As a werewolf who can't shape-shift, Dani Makar wants only to lead a "normal" life. But when the magnetically seductive Luc risks his life to save hers, Dani is torn between everything she believes—and an unstoppable, soul-deep desire.

Fiercely drawn to each other, these two sworn enemies fall into a passionate alliance. But evil's wrath cannot be underestimated, nor its ability to destroy.

Mr g: Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9780307379993

As I remember, I had just woken up from a nap when I decided to create the universe.

So begins Alan Lightman's playful and profound new novel, Mr g, the story of Creation as told by God. Barraged by the constant advisements and bickerings of Aunt Penelope and Uncle Deva, who live with their nephew in the shimmering Void, Mr g proceeds to create time, space, and matter. Then come stars, planets, animate matter, consciousness, and, finally, intelligent beings with moral dilemmas. Mr g is all powerful but not all knowing and does much of his invention by trial and error.

Even the best-laid plans can go awry, and Mr g discovers that with his creation of space and time come some unforeseen consequences—especially in the form of the mysterious Belhor, a clever and devious rival. An intellectual equal to Mr g, Belhor delights in provoking him: Belhor demands an explanation for the inexplicable, requests that the newly created intelligent creatures not be subject to rational laws, and maintains the necessity of evil. As Mr g watches his favorite universe grow into maturity, he begins to understand how the act of creation can change himself, the Creator.

With echoes of Calvino, Rushdie, and Saramago, combining science, theology, and moral philosophy, Mr g is a stunningly imaginative work that celebrates the tragic and joyous nature of existence on the grandest possible scale.

Tempted by Blood Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780373776450

Deep within the forests of the Pacific Northwest, the battle for supremacy rages on between two Vampire coalitions:

Guardian enforcers sworn to protect humanity, and Darkbloods, rogues who kill like their ancient ancestors.

He might be known for his effortless charm, but Guardian Jackson Foss is hiding a terrible secret. For months, he has battled the emergence of his dark nature—deadly urges that threaten to consume him. And those cravings only intensify when he meets Arianna Wells, the human he's been assigned to protect. Smart and perceptive, Arianna doesn't seem like a dangerous temptress. Yet she awakens in Jackson an unstoppable need that, if left unchecked, will brand him a traitor—a crime punishable by death.

But soon their bond may be Arianna's only hope. For stalking her in the shadows is a merciless enemy—one who will stop at nothing to claim her completely.

We may be walking past you right now.
We are watching as you read this.
We may be in your city, your town.
We are living anonymously.
We are waiting for the day when
We will find each other.
We will make our last stand together—if
We win,
We are saved, and
You are saved as well.
If we lose, all is lost.

Power of Six (Lorien Legacies 02) Hardcover \$39.95 www.infinitas.com.au/Product.php?bar=9780061974557

I've seen him on the news. Followed the stories about what happened in Ohio. John Smith, out there, on the run. To the world, he's a mystery. But to me . . . he's one of us.
Nine of us came here, but sometimes I wonder if time has changed us—if we all still believe in our mission. How can I know? There are six of us left. We're hiding, blending in, avoiding contact with one another . . . but our Legacies are developing, and soon we'll be equipped to fight. Is John Number Four, and is his appearance the sign I've been waiting for? And what about Number Five and Six? Could one of them be the raven-haired girl with the stormy eyes from my dreams? The girl with powers that are beyond anything I could ever imagine? The girl who may be strong enough to bring the six of us together?
They caught Number One in Malaysia.
Number Two in England.
And Number Three in Kenya.
They tried to catch Number Four in Ohio—and failed.
I am Number Seven. One of six still alive.
And I'm ready to fight.

Faith Trade Paperback \$29.95 www.infinitas.com.au/Product.php?bar=9781597803908

Moby Dick meets Duel in John Love's debut novel of Space Opera and Military Science Fiction! Faith is the name humanity has given to the unknown, seemingly invincible alien ship that has begun to harass the newly emergent Commonwealth. 300 years earlier, the same ship destroyed the Sakhra Empire, allowing the Commonwealth to expand its sphere of influence. But now Faith has returned! The ship is as devastating as before, and its attacks leave some Commonwealth solar systems in chaos. Eventually it reaches Sakhra, now an important Commonwealth possession, and it seems like history is about to repeat itself. But this time, something is waiting: an Outsider, one of the Commonwealth's ultimate warships. Slender silver ships, full of functionality and crewed by people of unusual abilities, often sociopaths or psychopaths, Outsiders were conceived in back alleys, built and launched in secret, and commissioned without ceremony. One system away from earth, the Outsider ship Charles Manson makes a stand. Commander Foord waits with his crew of miscreants and sociopath, hoping to accomplish what no other human has been able to do - to destroy Faith.

Heir of Night (Wall of Night 01) B Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9780356500010

The violence of an age-old war casts a long shadow. It falls on a world where mercy is weakness and conflict is a way of life. Young Malian is being trained to rule. Her people garrison the mountain range known as the Wall of Night against an ancient enemy, keeping a tide of shadow from the rest of their world. Malian is expected to uphold this tradition, yet she's known little of real danger until the enemy launches a direct attack upon her fortress home. In the darkest part of the night, the Keep of Winds becomes a bloodbath. Women and children, warriors and priests, are slain by creatures with twisted magic flowing in their veins. And as the castle wakes to chaos, Malian flees deep into the Old Keep, her life at stake. Then when the danger is greatest, her own hidden magic flares into life. But this untapped potential is a two-edged blade. If she accepts its power, she must prepare to pay the price.

But as the Thorn Land's prophecy-haunted queen, there's no refuge for her and her soon-to-be-born-children when a mysterious blight begins to devastate the Otherworld...The spell-driven source of the blight isn't the only challenge to Eugenie's instincts. Fairy king Dorian is sacrificing everything to help, but Eugenie can't trust the synergy drawing them back together. The uneasy truce between her and her shape shifter ex-lover Kiyo is endangered by secrets he can't - or won't - reveal. And as a formidable force rises to also threaten the human world, Eugenie must use her own cursed fate as a weapon - and risk the ultimate sacrifice...

Darkfever (Fever 01) Paperback \$17.99 www.infinitas.com.au/Product.php?bar=9780575108493

'My philosophy is pretty simple: any day nobody's trying to kill me is a good day in my book. I haven't had many good days lately.'

MacKayla Lane's life is good. She has great friends, a decent job and a car that only breaks down every other week or so. In other words, she's your perfectly ordinary twenty-first-century woman. Or so she thinks

When her sister is murdered, leaving a single clue to her death - a cryptic message on Mac's cell phone - Mac journeys to Ireland in search of answers. The quest to find her sister's killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed - a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae.

Bloodfever (Fever 02) Paperback \$17.99 www.infinitas.com.au/Product.php?bar=9780575108516

I used to be your average, everyday girl but all that changed one night in Dublin when I saw my first Fae, and got dragged into a world of deadly immortals and ancient secrets

In her fight to stay alive, MacKayla must find the Sinsar Dubh - a million-year-old book of the blackest magic imaginable, which holds the key to power over the worlds of both the Fae and Man. Pursued by assassins, surrounded by mysterious figures she knows she can't trust, Mac finds herself torn between two deadly and powerful men: V'lane, the immortal Fae Prince and Jericho Barrons, a man as irresistible as he is dangerous.

For centuries the shadowy realm of the Fae has coexisted with that of humans. Now the walls between the two are coming down and Mac is the only thing that stands between them.

Fae fever (Fever 03) Paperback \$17.99 www.infinitas.com.au/Product.php?bar=9780575108530

Recommended by Charlaine Harris, author of the series that inspired HBO's hit series TRUE BLOOD, this new #1 Bestselling series will take readers by storm!

When MacKayla Lane receives a page torn from her dead sister's journal, she is stunned by Alina's desperate words. And now MacKayla knows that her sister's killer is close. But evil is closer. And suddenly the sidhe-seer is on the hunt: For answers. For revenge. And for an ancient book of dark magic so evil that it corrupts anyone who touches it.

Mac's quest for the Sinsar Dubh takes her into the mean, shapeshifting streets of Dublin, with a suspicious cop on her tail. Forced into a dangerous triangle of alliance with V'lane, a lethal Fae prince and Jericho Barrons, a man of deadly secrets, Mac is soon locked in a battle for her body, mind and soul.

Dreamfever (Fever 04) Paperback \$17.99 www.infinitas.com.au/Product.php?bar=9780575108561

When the walls between Man and Fae come crashing down, freeing the insatiable, immortal Unseelie from their icy prison, MacKayla Lane is caught in a deadly trap. Captured by the Fae Lord Master, she is left with no memory of who or what she is.

Clawing her way back from oblivion is only the first step Mac must take down a perilous path, from the battle-filled streets of Dublin to the treacherous politics of an ancient, secret sect, through the tangled lies of men who claim to be her allies into the illusory world of the Fae themselves, where nothing is as it seems - and Mac is forced to face a soul-shattering truth.

Shadowfever (Fever 05) Paperback \$17.99 www.infinitas.com.au/Product.php?bar=9780575108585

In an epic battle between humans and Fae, the hunter becomes the hunted when the Sinsar Dubh turns on Mac and begins mowing a deadly path through those she loves. Who can she turn to? Who can she trust? Who is the woman haunting her dreams? More important, who is Mac herself and what is the destiny she glimpses in the black and crimson designs of an ancient tarot card?

From the luxury of the Lord Master's penthouse to the sordid depths of an Unseelie nightclub, from the erotic bed of her lover to the terrifying bed of the Unseelie King, Mac's journey will force her to face the truth of her exile and to make a choice that will either save the world or destroy it.

Disintegration (Autumn 04) Trade Paperback \$29.99 www.infinitas.com.au/Product.php?bar=9780575091436

The dead are disintegrating...but now they are also becoming self-aware. And they will do anything they have to, to survive!

Forty days have passed since the end of the world began. Billions of people were killed in less than half a day and now the entire world is rotting. Everything is disintegrating

Survivors are few and far between in this deadly environment and those who are still alive are forced to deal with a nightmare situation: the scale of the devastation is unprecedented. The shadowy landscape is swarming with the dead, their decaying bodies deteriorating day by day. Limited by their appalling physical condition, the only emotions they are able to display are anger, rage and hate and yet, remarkably, they are becoming more controlled. They are becoming self-aware and they will defend themselves at all costs.

A group of eleven men and woman have managed to survive against the odds, protected by the geography of the land and sheltering in a derelict block of flats. They have been surrounded for weeks, but they have always been in control. Until now. For the bodies are advancing. The situation is changing.

The Ritual Trade Paperback \$29.95 www.infinitas.com.au/Product.php?bar=9780312641849

When four old University friends set off into the Scandinavian wilderness of the Arctic Circle, they aim to briefly escape the problems of their lives and reconnect with one another. But when Luke, the only man still single and living a precarious existence, finds he has little left in common with his well-heeled friends, tensions rise. With limited experience between them, a shortcut meant to ease their hike turns into a nightmare scenario that could cost them their lives. Lost, hungry, and surrounded by forest untouched for millennia, Luke figures things couldn't possibly get any worse. But then they stumble across an old habitation. Ancient artefacts decorate the walls and there are bones scattered upon the dry floors. The residue of old rites and pagan sacrifice for something that still exists in the forest. Something responsible for the bestial presence that follows their every step. As the four friends stagger in the direction of salvation, they learn that death doesn't come easy among these ancient trees . . .

A rip-roaring space adventure set in our far-future, from an author who has received multiple accolades from the Guardian, SFX, SciFi Now, SFRevu and blog enthusiasts.

Artemis McIvor is a stone-cold killer and a bibliophile. Raised on the library planet of Rebus, she has a love of books in a future where reading is a lost art. But unfortunately, her story doesn't end there. Artemis has been sentenced to incarceration for multiple murders and she's innocent of these, but guilty of many more which haven't yet come to light. Within days of arrival Artemis is planning her escape, but behind this is a darker strategy. She needs freedom to take revenge on those who have wronged her - and her vengeance is mighty indeed.

Yet when she is recaptured, she is faced with a surprising choice that turns out to be no choice at all. She'll have her liberty if she becomes a guerrilla warrior, fighting rebels targeting Earth. Despite being part of a motley crew of criminals and psychopaths, she'd be one of the good guys for the very first time, fighting a war that is all that stands between civilization and depravity. Or if she says no, it'll be the last decision she ever makes.

His dead brother has set DI Cass Jones a task from beyond the grave: to find his baby, Cass' nephew, stolen at birth...

DI Cass Jones is still dealing with the fallout of uncovering a major conspiracy within his own police station when a terrorist attack rocks London and he finds himself called on to help with the investigation. At the same time he has his own investigation to worry about: young people are dying, apparently committing suicide - and they're all linked by the phrase Chaos in the Darkness, scrawled or sent as their last message to the world.

Then he's given a note from his dead brother Christian, written before his murder: the three words - 'They took Luke' - opens up a whole new can of worms, because Cass knows immediately who They are: Mr Bright and the shadowy Network. His dead brother has set him a task from beyond the grave - to find the baby, his nephew, stolen at birth.

And as Cass tries to divide his time between all three investigations, it's not long before he discovers links, where there should not be. The mysterious Mr Bright is once again pulling his strings and there's nothing DI Cass Jones hates more

Going Postal Anniversary Edition (Discworld 29) B Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780552154321

Moist von Lipwig was a con artist and a fraud and a man faced with a life choice: be hanged, or put Ankh-Morpork's ailing postal service back on its feet.

It was a tough decision.

But he's got to see that the mail gets through, come rain, hail, sleet, dogs, the Post Office Workers Friendly and Benevolent Society, the evil chairman of the Grand Trunk Semaphore Company, and a midnight killer.

Getting a date with Adora Bell Dearheart would be nice, too.

Maybe it'll take a criminal to succeed where honest men have failed, or maybe it's a death sentence either way. Or perhaps there's a shot at redemption in the mad world of the mail, waiting for a man who's prepared to push the envelope...

Just because Grave Witch Alex Craft can speak to the dead, doesn't mean she has to like what they have to say . . .

As a private investigator and consultant for the police, Alex has seen a lot of dark magic. But even though she's on good terms with Death himself, nothing has prepared her for her latest case. Alex is investigating a high-profile murder when she's attacked by the ghost she is raising - which should be impossible. To top off her day, someone makes a serious attempt on her life. Luckily, Death steps in to save her - guess that means he likes having her around?

To solve this case, Alex will have to team up with tough homicide detective Falin Andrews. Andrews seems to be hiding something, although it's certainly not his dislike of Alex. Despite all that, Alex is going to need his help to navigate the tangled webs of real-world and paranormal politics, and to track down a killer wielding a magic so malevolent, it may cost Alex not just her life, but also her soul . . .

The Wolf Gift Trade Paperback \$32.95 www.infinitas.com.au/Product.php?bar=9780701187453

The time is the present.

The place, the rugged coast of Northern California. A bluff high above the Pacific. A grand mansion full of beauty and tantalizing history set against a towering redwood forest.

A young reporter on assignment from the San Francisco Observer . . . An older woman welcoming him into her magnificent family home that he has been sent to write about and that she must sell with some urgency . . . A chance encounter between two unlikely people . . . An idyllic nightshattered by horrific unimaginable violence, the young man inexplicably attacked bitten by a beast he cannot see in the rural darkness . . . A violent episode that sets in motion a terrifying yet seductive transformation, as the young man, caught between ecstasy and horror, between embracing who he is evolving into and fearing what he will become, soon experiences the thrill of the wolf gift.

As he resists the paradoxical pleasure and enthrallment of his wolfen savagery and delights in the power and (surprising) capacity for good, he is caught up in a strange and dangerous rescue and is desperately hunted as the Man Wolf by authorities, the media, and scientists (evidence of DNA threatens to reveal his dual existence) . . . As a new and profound love enfolds him, questions emerge that propel him deeper into his mysterious new world: questions of why and how he has been given this gift; of its true nature and the curious but satisfying pull towards goodness; of the profound realization that there may be others like him who are watching, guardian creatures who have existed throughout time who possess ancient secrets and alchemical knowledge. And throughout it all, the search for salvation for a soul tormented by a new realm of temptations, and the fraught, exhilarating journey, still to come, of being and becoming, fully, both wolf and man.

Celebrity in Death (Eve Dallas 33) Trade Paperback \$32.99 www.infinitas.com.au/Product.php?bar=9780749955960

Lieutenant Eve Dallas is no party girl, but she's managing to have a reasonably good time at the celebrity-packed bash celebrating The Icove Agenda, a film based on one of her famous cases. It's a little spooky seeing the actress playing her, who looks almost like her long-lost twin. Not as unsettling, though, as seeing the actress who plays Peabody drowned in the lap pool on the roof of the director's luxury building. Now she's at the center of a crime scene-and Eve is more than ready to get out of her high heels and strap on her holster and step into the role she was born to play: cop.

Rudy Rucker

Nested Scrolls Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9780765327529

Nested Scrolls reveals the true life adventures of Rudolf von Bitter â€œRudyâ€ Ruckerâ€™ mathematician, transrealist author, punk rocker, and computer hacker. It begins with a young boy growing up in Louisville, Kentucky, the son of a businessman father who becomes a clergyman, and a mother descended from the philosopher Hegel. His career goals? To explore infinity, popularize the fourth dimension, seek the gnarl, become a beatnik writer, and father a family.

All the while Rudy is reading science fiction and beat poetry, and beginning to write some pretty strange fiction of his ownâ€™a blend of Philip K. Dick and hard SF that qualifies him as part of the original circle of writers in the early 1980s that includes Bruce Sterling, William Gibson, John Shirley, and Lewis Shiner, who were the founders of cyberpunk.

At one level, Rucker's genial and unfettered memoir brings us a first-hand account of how he and his contemporaries ushered in our postmodern world. At another, this is the wry and moving tale of a man making his way from one turbulent century to the next.

Nested Scrolls is like its author: sweet, gentle, honest, and intellectually fierce.

Brandon Sanderson

Warbreaker B Paperback \$22.99 www.infinitas.com.au/Product.php?bar=9780575097469

Magic as you have never seen it before from the international bestseller.

WARBREAKER is the story of two sisters, who happen to be princesses, the God King one of them has to marry, a lesser god and an immortal trying to undo the mistakes he made hundreds of years ago.

Theirs is a world in which those who die in glory return as gods to live confined to a pantheon in Hallandren's capital city. A world transformed by BioChromatic magic, a power based on an essence known as breath. Using magic is arduous: breath can only be collected one unit at a time from individual people.

But the rewards are great: by using breath and drawing upon the color in everyday objects, all manner of miracles and mischief can be performed.

Brandon Sanderson proves again that he is a master of what Tolkien called 'secondary creation,' the invention of whole worlds, complete with magics and myths all their own.

Ashes of Candesce (Virga 05) Hardcover \$54.95 www.infinitas.com.au/Product.php?bar=9780765324924

A world of endless sky, with no land, no gravity:Â this is Virga. Beginning in the seminal science fiction novel Sun of Suns, the saga of this striking world has introduced us to the people of stubborn pride and resilience who have made Virga their home; but also, always lurking beyond the walls of the world, to the mysterious threat known only as Artificial Nature. In The Sunless Countries, history tutor Leal Hieronyma Maspeth became the first human in centuries to learn the true nature of this threat. Her reward was exile, but now, in Ashes of Candesce, Artificial Nature makes its final bid to destroy Virga, and it is up to Leal to unite the quarrelling clans of her world to fight the threat.

Ashes of Candesce brings together all the heroes of the Virga series, and draws the diverse threads of the previous storylines together into one climactic conflict. Blending steampunk styling with a far-future setting and meditations on the posthuman condition, Ashes of Candesce mixes high adventure and cutting-edge ideas in a fitting climax to one of science fiction's most innovative series.

Mrs God Hardcover \$47.95 www.infinitas.com.au/Product.php?bar=9781605983042

Esswood House. Home and estate of the Seneschal family, aristocratic patrons of the literary arts for well over a hundred years. D. H. Lawrence, T. S. Eliot, Ford Madox Ford, and Henry James were privileged to call themselves guests and Esswood Fellows. Even minor poets such as Isobel Standish found in Esswood a respite from the outer world and its refined atmosphere an inspiration for her work. There was always talk of a hidden secret in Esswood's past, and the Seneschal children were often so pale and sickly, but don't all English manor houses have a few ghost stories to call their own?

When Professor William Standish receives the rare honor of an Esswood Fellowship, and the chance to study Isobel's private manuscripts at close hand, he is thrilled beyond his wildest ambitions. But something seems slightly off at Esswood House. He hears faint laughter in the halls, the pitter-pattering of small feet in the night; strange faces appear in the windows of the library, and there are those giant dollhouses in the basement . . .

Never before published as a separate volume, Mrs. God is a very different kind of ghost story from one of America's most celebrated authors.

The New Empire intends to mark its victory over the Nationalists with a bloody celebration. On the high holiday of Wintertide, the Witch of Melengar will be burned and the Heir of Novron executed. On that same day the Empress faces a forced marriage, with a fatal accident soon follow. The New Empire is confident in the totality of its triumph but there's just one problem-Royce and Hadrian have finally found the true Heir of Novron---and they have their own holiday plans.

When author Michael J. Sullivan self-published the first books of his Riyria Revelations series online, they rapidly became ebook bestsellers. Now, Orbit is pleased to present the complete series for the first time in bookstores everywhere.

Heir of Novron is the final volume of The Riyria Revelations and includes Wintertide and ---available for the first time--- the final volume, Percepliquis.

The Waters Rising (Plague of Angels 02) B Paperback \$22.99 www.infinitas.com.au/Product.php?bar=9780575094963

The long-awaited sequel to A PLAGUE OF ANGELS.

The long-awaited and much-demanded sequel to A PLAGUE OF ANGELS, continuing the story of Abasio, once a farmboy, now, so Blue, his talking horse, is happy to inform people, a man who goes hither and thither helping orphans in this world where renescent mythical beasts and fairy tale 'archetypes' now live.

And when he comes across little Xulai from Tingawan, one of the Ten Thousand Islands, far across the western Sea, she informs him that she too is an orphan and implores his help carrying out the last request of the Princess Xu-i-lok, who has been dying since the day she married Duke Justinian, who refused the royal order to marry Alicia, the Prince's sister.

Xulai is Princess Xu-i-lok's Soul Carrier and the task she must complete means visiting the scary forest in the dead of night - but it is the only thing that will bring the princess a measure of peace. Abasio, helper of orphans, promises though she must do this alone, he will be near, to aid her if necessary and it is, for there are dark things abroad

And Xulai's job is not yet done, for with the princess now dead, the grieving Duke is left a widower - and Alicia, Duchess Altamont, still wishes to marry him. It's not just the man she wants, but his lands too and her plans do not bode well for anyone except her.

The Widows of Eastwick (Eastwick 02) B Paperback \$22.95 www.infinitas.com.au/Product.php?bar=9780141038032

The spellbinding sequel to THE WITCHES OF EASTWICK

More than three decades have passed since the witches of Eastwick – Alexandra, Jane, and Sukie – weaved their wicked spell on the sleepy Rhode Island town. Since then the three divorcees have left, remarried, and become widows. Meeting up again, they decide to go back to Eastwick one last time. But what enchantments will they find?

There may no longer be a diabolical Darryl Van Horne, but memory – as much as magic – continues to haunt the town. For among the familiar streets, where the witches enjoyed their status as free, lusty and empowered women, there are those who remember them, and wish them ill . . .

Catherynne Valente

Deathless Trade Paperback \$29.95 www.infinitas.com.au/Product.php?bar=9780765326317

Koschei the Deathless is to Russian folklore what giants or wicked witches are to European culture: the villain of countless stories which have been passed on through story and text for generations. Valente's take on the legend brings the action to modern times, spanning many of the great developments of Russian history in the twentieth century.

Deathless, however, is no dry, historical tome: it lights up like fire as the young Marya Morevna transforms from a clever peasant girl to Koschei's beautiful bride, to his eventual undoing. Along the way there are Stalinist house elves, magical quests, secrecy and bureaucracy, and games of lust and power. All told, Deathless is a collision of magical history and actual history, of revolution and mythology, of love and death, that will bring Russian myth to life in a stunning new incarnation.

Eternal Hunger (Mark of the Vampire 01) B Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9780749956288

Alexander Roman wants nothing to do with the controlling rulers of his vampire breed, but as a new threat to the pureblood vampires emerges, Alexander's ties to the past are forced upon him and without warning, he finds himself disoriented, terrified and near death at the door of a stranger.

Dr Sara Donohue is dedicated to removing the traumatic memories of her patients - like those of the stranger at her front door. But what he tells her of his past is too astonishing to be anything more than the delusion of a madman.

Then, as their worlds collide, Sara and Alexander are bound as one becomes hunter and the other prey. And Sara's only chance of survival is to surrender to the final - and most unimaginable - desire of her life.

Eternal Kiss (Mark of the Vampire 02) B Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9780749956332

His father unknown, his mother dead, Nicholas Roman was raised by the vampire Breed with one wish: to live as a normal vampire. But once he's transformed against his will into a gifted immortal, Nicholas now has one goal: to stop the Eternal Order of vampires from controlling his life. Then comes a beautiful stranger with a startling secret

Vampire Kate Everborne claims she's sheltering Nicholas' long lost son. If this is true, then who is the mother? And how endangered are they if, indeed, Nicholas does possess the bloodline so coveted by the Order?

These are questions that with every seductive whisper and every silken touch draw Nicholas and Kate intimately closer and nearer still to the truth.

Outpost B Paperback \$16.95 www.infinitas.com.au/Product.php?bar=9780143305927

Dece and only three others live on the planet Ord, a very remote outpost in outer space. The environment is a hostile one, and the man Dece most admired, Saphare, has already died in an accident, a victim of one of the ice geysers that unpredictably surface on the planet from time to time. Now he is left alone with his bossy little sister, Seps, and two adults: the harshly critical Cap, and emotionally distant Boss.

When Dece sees what appears to be the wreck of a spaceship caught in the orbit of the nearby gas planet, Cotal, he puts aside his terrors to investigate, but what he finds there is so extraordinary that it is almost beyond his ability to understand.

The Dead of Winter B Paperback \$15.99 www.infinitas.com.au/Product.php?bar=9781408800041

A boy, a mysterious guardian and a haunted house with a terrible secret...This is a chilling ghost story that will thrill and terrify you. And you will want to read it again and again and again.

Michael Vyner recalls a terrible story, one that happened to him. One that would be unbelievable if it weren't true! Michael's parents are dead and he imagines that he will stay with the kindly lawyer, executor of his parents' will...Until he is invited to spend Christmas with his guardian in a large and desolate country house. His arrival on the first night suggests something is not quite right when he sees a woman out in the frozen mists, standing alone in the marshes. But little can prepare him for the solitude of the house itself as he is kept from his guardian and finds himself spending the Christmas holiday wandering the silent corridors of the house seeking distraction. But lonely doesn't mean alone, as Michael soon realises that the house and its grounds harbour many secrets, dead and alive, and Michael is set the task of unravelling some of the darkest secrets of all. A nail-biting story of hauntings and terror by the master of the genre, Chris Priestley.

After the Golden Age (stand alone novel) Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780765364609

Can an accountant defeat a supervillain? Celia West, only daughter of the heroic leaders of the superpowered Olympiad, has spent the past few years estranged from her parents and their high-powered lifestyle. She's had enough of masks and heroics, and wants only to live her own quiet life out from under the shadow of West Plaza and her rich and famous parents.

Then she is called into her boss' office and told that as the city's top forensic accountant, Celia is the best chance the prosecution has to catch notorious supervillain the Destructor for tax fraud. In the course of the trial, Celia's troubled past comes to light and family secrets are revealed as the rift between Celia and her parents grows deeper. Cut off from friends and family, Celia must come to terms with the fact that she might just be Commerce City's only hope.

This all-new and moving story of love, family, and sacrifice is an homage to Golden Age comics that no fan will want to miss.

HIVE (HIVE 01) B Paperback \$15.99 www.infinitas.com.au/Product.php?bar=9781408815908

H.I.V.E. (Higher Institute of Villainous Education) is a top-secret school of applied villainy where children with a precocious gift for wrongdoing are sent to develop their talents into criminal mastermind. After all, 'villains have the best lines and wear the best costumes'. One small catch is that the children cannot leave until training is complete, six years later. With villainy comes a certain freedom of thought, and every year one student in particular will show exceptional talent - after all, it takes the best to produce the worst. This year there are two students: Otto Malpense and his new friend Wing Fanchu are both exceptionally bad, and they are definitely not keen on being held against their will for six long years ...

The Overlord Protocol (HIVE 02) B Paperback \$15.99 www.infinitas.com.au/Product.php?bar=9781408815915

Otto and Wing have special permission to leave H.I.V.E.'s secret island location to attend a funeral (all too common in their line of business). But before they reach their destination they are ambushed. Who would risk assassinating Otto Malpense, star pupil of the Higher Institute of Villainous Education and favourite of Number One, the most powerful villain alive? A new power is rising to challenge Number One's authority, and they need H.I.V.E. and its powerful computer to do so. Otto thought the only thing he wanted was to escape from H.I.V.E., but now he's desperately trying to save it, and himself.

Escape Velocity (HIVE 03) B Paperback \$15.99 www.infinitas.com.au/Product.php?bar=9781408815922

Pupils and staff at H.I.V.E. are horrified to discover that Dr Nero has been captured by the forces of H.O.P.E., the Hostile Operative Prosecution Executive, the world's newest and most ruthlessly efficient security force. Three months pass without any news of his fate, and Number One has decided to appoint a sinister new headmistress for the school, somebody that the pupils and staff had thought that they'd seen the last of. Meanwhile Otto is also struggling to cope with new abilities that are starting to manifest themselves; can he really be unconsciously interfacing with computers without physical contact? And if he is, what exactly do these new powers really mean? The only way to find Nero and the truth behind the lies is to escape H.I.V.E.. Otto must get out, and take the risks which come with being a rogue agent. Then he just has to break into MI6.

Dreadnought (HIVE 04) B Paperback \$15.99 www.infinitas.com.au/Product.php?bar=9781408815939

A renegade faction of the world's most powerful villains is intent on destroying G.L.O.V.E. (Global League Of Villainous Enterprises) and showing the world the true face of evil. The Disciples begin by hijacking Diabolus Darkdoom's Airborne command post, then they kidnap his son and his son's best friend. Unfortunately for them, Nigel Darkdoom (and Franz) also happen to be Otto's friends. Heading out to America, Otto, Wing et al embark on a perilous and highly unauthorised rescue operation. Cut off from the support of H.I.V.E. and on the run from American security forces the hunt for their friends leads to one of the US military's most secret facilities. It becomes clear that the Disciples are not all they appear and in a desperate race against time Otto must work out who his real friends are to prevent the Disciples from completing their true objective. Only Otto can save the world from domination by a sinister new world order but it might be that the price he has to pay is just too high. When it comes to the crunch will he be prepared to sacrifice himself?

Rogue (HIVE 05) B Paperback \$15.99 www.infinitas.com.au/Product.php?bar=9781408815946

The leaders of the world's villainous forces are being picked off one by one in a series of mysterious attacks and Dr Nero is forced to take temporary control of G.L.O.V.E. when Diabolus Darkdoom is seriously injured. He then discovers that Otto, who has now been missing for several months since Dreadnought, is leading the attacks. Under pressure from the remaining members of the ruling council, Nero is left with no choice but to issue a capture or kill order for Otto. Wing learns of the order and persuades Raven to allow him to join her on her mission to retrieve Otto. Other members of the ruling council, suspicious of Nero's relationship with the boy, have initiated their own missions to eliminate Otto. Wing and Raven find themselves in a deadly race against time to track Otto down before the other G.L.O.V.E. assassins get to him. Their pursuit takes them to a secret facility hidden deep within the Amazon rainforest, where they face a mysterious operative even deadlier than Raven. Meanwhile back at H.I.V.E., the school's own automated defence systems turn against the pupils and staff. And there is no one there to stop it.

Zero Hour (HIVE 06) B Paperback \$15.99 www.infinitas.com.au/Product.php?bar=9781408815953

Overlord is reborn, and has developed the chilling ability to move from body to body, erasing the host's personality and ultimately killing them, forcing him to hop from victim to victim. He must find Otto, the only host designed to contain him, and for that he needs the location of H.I.V.E. He also plans to take control of a secret US Army facility that is home to the Autonomous Weapon Programme, a computer-controlled system uniquely vulnerable to his control. Nero is forced to activate Zero Hour, a plan designed to deal with any member of G.L.O.V.E. on the brink of true global domination. Nero also knows that Otto must not be allowed to fall into Overlord's hands, and a desperate race across the globe begins. The stage is set for a final battle with Overlord. Little do they know that he has a final weapon in his arsenal, on a scale unlike anything they have ever seen before.

Dragon's Tooth (Ashtown Burials 01) B Paperback \$16.95 www.infinitas.com.au/Product.php?bar=9781742755069

For two years, Cyrus and Antigone Smith have run a sagging roadside motel with their older brother, Daniel. Nothing ever seems to happen. Then a strange old man with bone tattoos arrives, demanding a specific room. Less than 24 hours later, the old man is dead. The motel has burned, and Daniel is missing. And Cyrus and Antigone are kneeling in a crowded hall, swearing an oath to an order of explorers who have long served as caretakers of the world's secrets, keepers of powerful relics from lost civilizations, and jailers to unkillable criminals who have terrorized the world for millennia.

N. D. Wilson, author of *Leepike Ridge* and *100 Cupboards*, returns with an imagination-capturing adventure that inventively combines the contemporary and the legendary.

Seven Soldiers of Victory Trade Paperback \$39.95 www.infinitas.com.au/Product.php?bar=9781401229511

Grant Morrison

SEVEN SOLDIERS is an epic tale of life, death, triumph and redemption that explores the nature of heroism and sacrifice. Featuring the first four of the seven soldiers: The Shining Knight, The Guardian, Zatanna and Klarion the Witch Boy. Independently, each of these characters is featured in a story that redefines their purpose in the DC Universe. But their stories also interweave with the others, telling a grander story of a devastating global threat to mankind. Together, these reluctant champions must work together to save the world from the insidious threat of the invading Sheeda warriors — without even meeting one another. Collects SEVEN SOLDIERS OF VICTORY #0, THE GUARDIAN #1-4, KLARION #1-3, ZATANNA #1-3, and THE SHINING KNIGHT #1-4.

Shock Value How a few eccentric outsiders gave us nightmares, conquered Hollywood, and invented modern horror

Hardcover \$39.99 www.infinitas.com.au/Product.php?bar=9780715642986

Hollywood in the 1970s often brings to mind directors such as Martin Scorsese, Steven Spielberg and Francis Ford Coppola. But the decade was also horror's 'golden age', producing classics like *Rosemary's Baby*, *Carrie*, *The Texas Chainsaw Massacre* and *Halloween* by directors who would become famous and achieve massive box office success. Since then, horror has been a prominent and inventive part of popular culture. *Shock Value* describes how horror was re-created, ridding itself of the old supernatural cliches and instead portraying serial killers, extreme and baseless violence, and the fear to be found in everyday suburbia. Jason Zinoman draws on interviews with hundreds of its most important artists to create a character-focused account of how an often overlooked, but highly influential, golden age in American film began.

Captain MacKenzie Calhoun has faced incredible odds before, but nothing he has ever experienced could prepare him for the simultaneous threat from two of the most destructive forces he's ever come across. The first is the D'myurj-a mysterious and powerful alien race bent on either the complete domination of humanity or its destruction. The second is even more alarming: Morgan Primus, once a living creature with a soul and a conscience, now an incredibly sophisticated computer simulation taking up residence within the very core of the USS Excalibur ...and quickly becoming a growing menace for the Federation....

William C Dietz

An all-new adventure inspired by the award-winning videogame from BioWare!

The universe is under siege. Every fifty thousand years, a race of sentient machines invades our galaxy to harvest all organic life-forms. They are the Reapers.

Two people who know the truth are desperately searching for a way to stop the cycle: Navy admiral David Anderson and his partner, Kahlee Sanders. They have uncovered grisly evidence proving that the Reaper threat is real. But in so doing they have exposed the machinations of Cerberus, a secretive paramilitary organization, and its mysterious leader, the Illusive Man—putting David and Kahlee in mortal danger, for Cerberus will stop at nothing to protect its secrets.

But along the way, they find an unlikely ally in Gillian Grayson, a young woman with extraordinary powers. Once the subject of horrifying scientific experiments, Gillian is now free—and beginning to master her deadly abilities. But after learning that Cerberus was responsible for the death of her father, Gillian swears vengeance against the group and the Illusive Man—threatening to unravel everything Kahlee and David are fighting for.

Blood Angels Second Omnibus B Paperback \$27 www.infinitas.com.au/Product.php?bar=9781849701297

James Swallow

The Blood Angels stand apart from the other Chapters of the Adeptus Astartes, descending from the skies on wings of flame. While they are renowned for their ten-thousand-year history of glorious battle and honourable deeds, these secretive Space Marines seek to hide the dark flaws at the core of their being – the Red Thirst and the Black Rage – from the rest of the Imperium. Do they fight any longer for the protection of mankind, or merely for their own salvation?

This omnibus edition continues the saga of the Blood Angels, featuring the novels Red Fury and Black Tide, as well as exciting short stories (Redeemed, Heart of Rage, Bloodline) and background material from New York Times bestselling author James Swallow.

Lord of the Rings Fantasy Battle

Amdur Lord of Blades Figurine \$55 www.infinitas.com.au/Product.php?bar=5011921026111

The Lord of Blades leads the Easterling Dragon Knights, and is the most accomplished warrior of that corrupt order. Amdûr has already carved a fearsome reputation in the lands beyond Mordor, and now has come to test his brutal skills on the blood-soaked Pelennor against the armies of Gondor. He is a swordsman beyond compare that enemy heroes would do well to avoid, least their heads be struck from their bodies before they can raise their own blade to parry him.

This pack contains Amdûr, Lord of Blades on foot and riding a horse. These models are finely detailed resin cast miniatures. They are supplied as five separate components, and come with one 25mm round base and one 40mm round base.

Ashrak The Spiderkin Figurine \$22 www.infinitas.com.au/Product.php?bar=5011921029501

Many years ago, Ashrâk was bitten by a venom-back spider but, miraculously, he survived the ordeal and became much stronger because of it. When he marches into battle, he is surrounded by tiny spiders, which scuttle over and around him in battle, confusing and debilitating his foes, and leaving them easy prey for the rest of his Goblin warriors.

This pack contains Ashrâk, the Spiderkin. This model is a finely detailed resin cast miniature supplied as one separate component, and comes with one 25mm round base. This miniature is supplied unpainted and requires assembly - we recommend using Citadel Super Glue and Citadel Paints.

Dwarf Commanders Figurine \$66 www.infinitas.com.au/Product.php?bar=5011921029594

The Dwarfs of Erebor are hardy and fierce, tempered by years of war against the Easterlings and Khandish, and their constant strivings against the Orcs from Mordor and the Goblins that infest Middle-earth. Dwarves are trained to fight in their youth, taking to the field of battle in kinbands next to wise veterans, who impart expertise gained through constant combat. This training creates skilful soldiers and a fighting spirit as strong as the mail that protects them. Amongst these Dwarves are the Captains and heralds of the Dwarf Holds - those who have fought for many years against The Dark Lord Sauron, and who now lead the armies of the Dwarf Kingdoms into battle, inspiring their kin to fight to the very last. They are powerful warriors in their own right, and a great addition to any Dwarf army.

This boxed set contains one set of Dwarf Commanders. These models are finely detailed resin cast miniatures, including one Dwarf Captain, one Warrior with war horn, one banner bearer, and one Shieldbearer. They are supplied as five separate components, and come with four 25mm round bases. These miniatures are supplied unpainted and require assembly - we recommend using Citadel Super Glue and Citadel Paints.

Dweller in the Dark Figurine \$72 www.infinitas.com.au/Product.php?bar=5011921029525

The Dwellers in the Dark are creatures of incredible evil and murderous instinct. For many centuries they will slumber in the depths of the world, only awakening when the sound of battle reaches their dark domain. In these times of battle they will seek out mortal champions to slay, their power growing ever stronger.

This boxed set contains a Dweller in the Dark - a finely detailed resin cast kit that comes in 10 components (including two different heads), and is supplied with a highly detailed 60mm round base. This miniature is supplied unpainted and requires assembly.

Easterling Commanders Figurine \$66 www.infinitas.com.au/Product.php?bar=5011921027330

Easterlings are amongst the most fanatical followers of the Dark Lord and the best equipped of all the warriors at his command. Unlike the rabble of Orcs that spew forth from the Black Gate, the armies of the East are well-trained and disciplined warriors that will fight fiercely for Sauron, who they view as a vengeful deity. As children they are schooled in the art of war, and their womenfolk fight alongside the men as equals - in Rhûn all are prepared to fight for the Dark Lord. Amongst these evil men are the Captains and heralds of the Easterling Realm - those who have fought for The Dark Lord Sauron for many years, and who now lead his armies into battle, inspiring their men to fight harder and stronger than ever before. They are powerful warriors in their own right, and a great addition to any Easterling army.

This boxed set contains one set of Easterling Commanders. These models are finely detailed resin cast miniatures, including one Easterling Captain, one Dragon Knight on foot, one banner bearer, and one Easterling War Priest. They are supplied as four separate components, and come with four 25mm round bases. These miniatures are supplied unpainted and require assembly - we recommend using Citadel Super Glue and Citadel Paints.

Easterling Dragon Knight Figurine \$35 www.infinitas.com.au/Product.php?bar=5011921027309

Easterlings are amongst the most fanatical followers of the Dark Lord and the best equipped of all the warriors at his command. Unlike the rabble of Orcs that spew forth from the Black Gate, the armies of the East are well-trained and disciplined warriors that will fight fiercely for Sauron, who they view as a vengeful deity. As children they are schooled in the art of war, and their womenfolk fight alongside the men as equals - in Rhûn all are prepared to fight for the Dark Lord. Dragon Knights are the epitome of the Easterling warrior castes, having honed their skills beyond the ken of ordinary men. Their proficiency with a blade is unparalleled, making them excellent warriors to lead your Easterlings into battle.

This pack contains one Easterling Dragon Knight riding a horse. This model is a finely detailed resin cast miniature supplied as four separate components, and comes with one 40mm round base. This miniature is supplied unpainted and requires assembly.

Easterling Kataphrakts Figurine \$61 www.infinitas.com.au/Product.php?bar=5011921022908

Easterlings are amongst the most fanatical followers of the Dark Lord and the best equipped of all the warriors at his command. Unlike the rabble of Orcs that spew forth from the Black Gate, the armies of the East are well-trained and disciplined warriors that will fight fiercely for Sauron, who they view as a vengeful deity. As children they are schooled in the art of war, and their womenfolk fight alongside the men as equals - in Rhûn all are prepared to fight for the Dark Lord. Easterling Kataphrakts are heavy cavalry - nigh unstoppable killing machines that will sweep enemy cavalymen from their saddles and ride down unprepared foot soldiers like a scythe through wheat. They are the elite of the Easterling armed force, and an enemy general should be wary of their devastating charges.

This plastic boxed set contains 70 components, with which to build 6 Easterling Kataphrakts. There are also a wide variety of extra components in the kit, including a banner, a set of war drums, a cloak for the captain, four sheathed swords and two dead Easterling casualties, which can be used on your bases or as objective markers. This set comes with 6, 40mm round bases. These miniatures are supplied unpainted and require assembly.

Easterling War Priest Figurine \$35 www.infinitas.com.au/Product.php?bar=5011921027323

Easterlings are amongst the most fanatical followers of the Dark Lord and the best equipped of all the warriors at his command. Unlike the rabble of Orcs that spew forth from the Black Gate, the armies of the East are well-trained and disciplined warriors that will fight fiercely for Sauron, who they view as a vengeful deity. As children they are schooled in the art of war, and their womenfolk fight alongside the men as equals - in Rhûn all are prepared to fight for the Dark Lord. Amongst these fanatical warriors are the War Priests, vicious spellcasters that use their dark magic to enhance the abilities of nearby warriors and encourage them to greater acts of violence.

This pack contains one Easterling War Priest riding a horse. This model is a finely detailed resin cast miniature supplied as four separate components, and comes with one 40mm round base. This miniature is supplied unpainted and requires assembly and painting.

The Fallen Realms Trade Paperback \$41 www.infinitas.com.au/Product.php?bar=9781907964503

There are many armies that fight for the Dark Lord, including several realms of men. Some, like the Easterlings, followed the path of darkness willingly and worship Sauron as a divine being; whereas others were cast out of their homes and fight alongside him out of revenge - men such as the Haradrim. Amongst these mighty armies of Evil Men lie the Uruk-hai, a different race altogether. Bred in the fire pits beneath the fortress of Isengard, they are stronger, braver and better armoured than any Orc could ever hope to be. With these armies fighting alongside those of Mordor, there is little hope for the Free People of Middle Earth.

This 48-page Sourcebook for The Lord of the Rings contains all the rules you'll need to field an army from The Fallen Realms (including the Uruk-hai, Haradrim, Easterlings and the Variags of Khand), as well as detailed background information and scenarios.

You must possess a copy of The Lord of the Rings Strategy Battle Game in order to use the contents of this book.

The Free People Trade Paperback \$41 www.infinitas.com.au/Product.php?bar=9781907964367

Middle-earth is home to many races, most of them much older than the men that now dominate it. Amongst them are the Elves and the Dwarves, who have fought against Sauron and his armies for centuries. Though their experience in war is legendary, these races are now few in number, their time in Middle-earth close to an end. As such, their armies are often small, but comprised of powerful elite warriors, all of them ready to fight for the fate of Middle-earth.

This 64-page Sourcebook for The Lord of the Rings contains all the rules you'll need to field an army from The Free Peoples (including army lists for Elves, Dwarves, Hobbits, Ents, The Fellowship and the White Council), as well as detailed background information and scenarios.

You must possess a copy of The Lord of the Rings Strategy Battle Game in order to use the contents of this book.

Galadhrim Commanders Figurine \$66 www.infinitas.com.au/Product.php?bar=5011921029532

Though the armies of the Elven Kingdoms seldom march to open war, they guard many of Middle-earth's chief havens, and shield many lands that would have no hope of protecting themselves. Amongst this glittering host are the armies of Lothlórien, who only march to war in the very direst of circumstances. These Elves, known as the Galadhrim, are some of the finest warriors in all of Middle-earth. Equipped with finely crafted Elven bows, and well-balanced glaives, they are exceptional fighters that have held back the forces of darkness for many centuries. Amongst these Elves are the Captains and heralds of Lothlórien - those who have fought for many years against The Dark Lord Sauron, and who now lead the armies of that great forest into battle, inspiring their fellow Galadhrim to fight to the very last. They are powerful warriors in their own right, and a great addition to any Elven army.

This boxed set contains one set of Galadhrim Commanders. These models are finely detailed resin cast miniatures, including one Galadhrim Captain, one Warrior with war horn, one banner bearer, and one Galadhrim Stormcaller. They are supplied as four separate components, and come with four 25mm round bases. These miniatures are supplied unpainted and require assembly - we recommend using Citadel Super Glue and Citadel Paints.

Gondor Commanders Figurine \$66 www.infinitas.com.au/Product.php?bar=5011921029549

Minas Tirith's armies are the greatest of all the realms of Men - disciplined, superbly equipped and led by veterans of the wars with Harad and Mordor. Each warrior in Minas Tirith's army is trained to wield a variety of weapons, from the humble sword or bow, to the deadly knight's lance. It is these courageous warriors who defend the walls of the White City against the legions of Mordor, and protect her lands from the threat of invasion. Amongst these men are the Captains and heralds of Gondor, who have fought for many years against the Dark Lord Sauron, and who now lead the armies of Minas Tirith into battle, inspiring their men to fight to the very last. They are powerful warriors in their own right, and a great addition to any Gondor army.

This boxed set contains one set of Gondor Commanders. These models are finely detailed resin cast miniatures, including one Captain of Minas Tirith, one Warrior with war horn, one banner bearer, and one Knight of the White Tower. They are supplied as seven separate components, and come with four 25mm round bases. These miniatures are supplied unpainted and require assembly - we recommend using Citadel Super Glue and Citadel Paints.

Great Beast of Gorgoroth Figurine \$118 www.infinitas.com.au/Product.php?bar=5011921029488

There are many creatures that roam the Great Plateau of Gorgoroth, though none quite so large as the Great Beast. These huge, lumbering creatures are not inherently evil, though over countless decades they have been pressed into service by the armies of Sauron - used as beasts of burden for pulling war machines and as fighting platforms for their Orcish oppressors. Such barbaric treatment has, over the years, taken its toll on these creatures and they've become brutal and aggressive, the perfect temperament for a monster of Mordor. In battle, they are generally used as a battle platform for a mob of Orcs, who will use its armoured hide as a shield against attack, launching their own black-fletched arrows back at the enemy when it is safe to do so. Meanwhile, the Great Beast beneath them will rampage through the enemy army, causing horrendous casualties as it flattens all those in its path.

This boxed set contains one Great Beast of Gorgoroth - a finely detailed resin cast kit that comes in 17 components, including 10 Orc crew and comes supplied with a large oval base. This miniature is supplied unpainted and requires assembly - we recommend using Citadel Super Glue and Citadel Paints.

Groblog King of the Deeps Figurine \$26 www.infinitas.com.au/Product.php?bar=5011921029518

Gröblog is one of the Goblin Kings of Moria, a sneaky and thoroughly underhand Goblin warlord that wishes to claim the realm of Moria for himself.

This pack contains Gröblog, King of the Deeps. This model is a finely detailed resin cast miniature supplied as three separate components, and comes with one 25mm round base. This miniature is supplied unpainted and requires assembly - we recommend using Citadel Super Glue and Citadel Paints.

Haradrim Commanders Figurine \$66 www.infinitas.com.au/Product.php?bar=5011921029600

The Haradrim hail from the southernmost lands of Middle-earth, where the landscape is dominated by serpent-infested plains and arid deserts. They are a cruel race of Men, their hearts long ago hardened by the weight of a bloody history and their destiny tied irrevocably to that of Sauron. While they are not bound by his rule like many of his vassals, they choose to fight alongside his armies out of enmity with Gondor. When the Haradrim put aside their petty squabbling and unite under one banner, they do so in numbers that rival the armies of Mordor itself. Swarms of lightly armoured warriors descend upon their foes, peppering them to death with poisoned arrows or attacking them with long, barbed spears. What they lack in terms of skill and training, the men of Harad more than make up for with barbaric cruelty. Amongst these evil men are the Captains and heralds of Harad - those who have fought for The Dark Lord Sauron for many years, and who now lead his armies into battle, inspiring their fellow men to fight harder and stronger than ever before. They are powerful warriors in their own right, and a great addition to any Harad army.

This boxed set contains one set of Haradrim Commanders. These models are finely detailed resin cast miniatures, including one Haradrim Captain, one Warrior with war horn, one banner bearer, and one Taskmaster. They are supplied as six separate components, and come with four 25mm round bases. These miniatures are supplied unpainted and require assembly - we recommend using Citadel Super Glue and Citadel Paints.

Isengard Commanders Figurine \$66 www.infinitas.com.au/Product.php?bar=5011921029563

If Orcs are the foulest creatures to walk Middle-earth then the Uruk-hai are the most dangerous perversion of the breed. Where ordinary Orcs are crook-limbed and timid, the Uruk-hai are strong, muscular, upright warriors of greater skill and courage. Equipped with flame-forged armour and brutal blades from the forges of Isengard, the Uruk-hai march to war against the Free People of Middle-earth. They care not for land or possessions, nor for homes and families; they simply kill all in their path in pursuit of endless war and the taste of raw man-flesh. Amongst these brutal warriors are the Captains and heralds of Isengard - bred by Saruman to lead his armies into battle, inspiring their fellow Uruk-hai to fight harder and stronger than ever before. They are powerful warriors in their own right, and a great addition to any Isengard army.

This boxed set contains one set of Isengard Commanders. These models are finely detailed resin cast miniatures, including one Uruk-hai Captain, one Drummer, one banner bearer, and one Uruk-hai Shaman. They are supplied as eight separate components, and come with four 25mm round bases. These miniatures are supplied unpainted and require assembly - we recommend using Citadel Super Glue and Citadel Paints.

Khamul The Easterling (Ringwraith) Figurine \$55 www.infinitas.com.au/Product.php?bar=5011921027316

Lieutenant of Dol Guldur, Khamûl is second amongst the Ringwraiths, a dark terror clad in an impenetrable shroud of cloth and armour. The knowledge of how he came into the service of the Lord of the Rings has long been lost, though a few of the Wise believe that he once ruled a land beyond Mordor's eastern boundaries. This at least must be partially true, for only a king of great influence would have received the tainted gift of a Ring of Power. Other than this, little is known of Khamûl's past save what he has done since in the service of Mordor. Whatever the deeds of the man that he once was, Khamûl walks now only where Sauron bids him, his will bound solely to that of his dark master.

This pack contains Khamûl The Easterling on foot and riding a horse. These models are finely detailed resin cast miniatures. They are supplied as four separate components, and come with one 25mm round base and one 40mm round base. These miniatures are supplied unpainted and require assembly - we recommend using Citadel Super Glue and Citadel Paints.

The Kingdoms of Men Trade Paperback \$41 www.infinitas.com.au/Product.php?bar=9781907964411

It is the swords of Men that have protected Middle-earth for countless centuries against the vast armies of Sauron. From the Horse Lords of Rohan, to the White Tower of Gondor, these men fight to protect the Free People of Middle-earth and drive back the darkness from their lands.

This 48-page Sourcebook for The Lord of the Rings contains all the rules you'll need to field an army from the Kingdoms of Men (including army lists for Minas Tirith, Rohan, the Fiefdoms, Arnor and Númenor), as well as detailed background information and scenarios.

You must possess a copy of The Lord of the Rings Strategy Battle Game in order to use the contents of this book.

Morannon Orc Commanders Figurine \$66 www.infinitas.com.au/Product.php?bar=5011921029570

A stronger strain of Orc has appeared within the armies of the Black Gate and Barad-dûr - the Morannon Orcs. Their armour is thick and strong, providing them additional resilience. This enhanced wargear, coupled with the Morannon Orcs' increased strength, makes them ideal shock troops for Sauron's war against Minas Tirith. Amongst these degenerate creatures are the Captains and heralds of Mordor - those who have fought for The Dark Lord Sauron for many years, and who now lead his armies into battle, inspiring their fellow Orcs to fight harder and stronger than ever before. They are powerful warriors in their own right, and a great addition to any Mordor army.

This boxed set contains one set of Morannon Orc Commanders. These models are finely detailed resin cast miniatures, including one Orc Captain, one Drummer, one banner bearer, and one Morannon Orc Shaman. They are supplied as eight separate components, and come with four 25mm round bases. These miniatures are supplied unpainted and require assembly - we recommend using Citadel Super Glue and Citadel Paints.

Mordor Trade Paperback \$41 www.infinitas.com.au/Product.php?bar=9781907964602

Mordor is home to the mighty armies of the Dark Lord Sauron, a place of darkness and destruction, watched over by the Great Eye, and bathed in the fires of Mount Doom. It is through the Black Gates of Mordor that hundreds upon thousands of Orcs march, their goal: to conquer the entirety of Middle-earth and enslave the people that live there. Led by the powerful Nazgûl and supported by monstrous Trolls, the lands of Elves, Men and Dwarves will all fall to the might of Mordor and its vast armies. It is only a matter of time.

This 48-page Sourcebook for The Lord of the Rings contains all the rules you'll need to field an army of Mordor, as well as detailed background information and scenarios. You must possess a copy of The Lord of the Rings Strategy Battle Game in order to use the contents of this book.

Mordor Orc Commanders Figurine \$66 www.infinitas.com.au/Product.php?bar=5011921029587

Orcs are the foulest creatures to walk Middle-earth. They are evil-hearted monsters that rejoice in slaughter and destruction. The Orc's natural aggression makes them the perfect tool of evil intent, their numberless hordes forming the core of the Mordor army. While they're individually cowardly, they gain strength through numbers - a mass of Orc warriors can be a terrifying sight for any enemy of the Dark Lord. Amongst these degenerate creatures are the Captains and heralds of Mordor - those who have fought for The Dark Lord Sauron for many years, and who now lead his armies into battle, inspiring their fellow Orcs to fight harder and stronger than ever before. They are powerful warriors in their own right, and a great addition to any Mordor army.

This boxed set contains one set of Mordor Orc Commanders. These models are finely detailed resin cast miniatures, including one Orc Captain, one Taskmaster, one banner bearer, and one Orc Shaman. They are supplied as five separate components, and come with four 25mm round bases. These miniatures are supplied unpainted and require assembly - we recommend using Citadel Super Glue and Citadel Paints.

Moria & Angmar Trade Paperback \$41 www.infinitas.com.au/Product.php?bar=9781907964558

The Misty Mountains have ever been home to evil things. From the malicious Goblins that prey on unsuspecting Dwarves, to the colossal might of the Balrog of Morgoth, the Mines of Moria are a dangerous place to be at the best of times. Many travellers choose to avoid the route altogether, but instead find themselves confronted by the twisted armies of Angmar, a dark and forbidding land that's home to Trolls, Wargs and Undead spirit creatures kept alive by the will of the Witch King.

This 48-page Sourcebook for The Lord of the Rings contains all the rules you'll need to field an army from Moria and Angmar (including Goblins, Trolls, Dragons, Undead spirits and the mighty Balrog), as well as detailed background information and scenarios.

You must possess a copy of The Lord of the Rings Strategy Battle Game in order to use the contents of this book.

Moria Goblin Commanders Figurine \$55 www.infinitas.com.au/Product.php?bar=5011921029556

Moria Goblins are small, mean-spirited creatures that live a troglodyte existence in the numerous mines beneath the Misty Mountains, and many of the once-great Dwarven halls are now home to these loathsome beings. They scuttle through the tunnels with amazing dexterity, attacking, destroying and consuming intruders that venture into their dark realm. They are a low kind of degenerate Orc that rely on large numbers to overwhelm the foe. Amongst these degenerate creatures are the Captains and heralds of Moria - those who have fought for The Dark Lord Sauron for many years, and who now lead his armies into battle, inspiring their fellow Goblins to fight harder and stronger than ever before. They are powerful warriors in their own right, and a great addition to any Moria army.

This boxed set contains one set of Moria Goblin Commanders. These models are finely detailed resin cast miniatures, including one Goblin Captain, one Goblin Shaman and two Goblin Drummers with a Moria War Drum. They are supplied as five separate components, and come with five 25mm round bases. These miniatures are supplied unpainted and require assembly - we recommend using Citadel Super Glue and Citadel Paints.

Rohan Commanders Figurine \$66 www.infinitas.com.au/Product.php?bar=5011921029617

The men of Rohan are doughty folk, raised in a harsh land of moors, hills, and endless grassland. The warriors of this land fight for survival against a multitude of foes, from the Trolls and Orcs of the Misty Mountains, to the forces of the Dark Lord Sauron when they cross the Anduin into the Westfold. Many of them will ride into battle on warhorses, but many more cannot afford a noble steed and will instead fight on foot, making up the rank and file of the armies of Rohan. What these warriors lack in armour and skill, they make up for with courage and bloody minded determination - Rohan will never fall while they still protect its borders. Amongst these men are the Captains and heralds of Rohan, who have fought for many years against Sauron, and who now lead the armies of that great land into battle, inspiring their men to fight to the very last. They are powerful warriors in their own right, and a great addition to any Rohan army.

This boxed set contains one set of Rohan Commanders. These models are finely detailed resin cast miniatures, including one Captain of Rohan, one Warrior with war horn, one banner bearer, and one King's Huntsman. They are supplied as eight separate components, and come with four 25mm round bases. These miniatures are supplied unpainted and require assembly - we recommend using Citadel Super Glue and Citadel Paints.

Warg Marauder Figurine \$41 www.infinitas.com.au/Product.php?bar=5011921029495

Moria Goblins are small, mean-spirited creatures that live a troglodyte existence in the numerous mines beneath the Misty Mountains, and many of the once-great Dwarven halls are now home to these loathsome beings. They scuttle through the tunnels with amazing dexterity, attacking, destroying and consuming intruders that venture into their dark realm. Rarely do they venture outside their mountain realms, but when they do, they will often ally themselves with the feral Wargs that live in the mountains. While individually they may be too small to ride and control a Warg, a team of several Goblins should be able to keep one in check for the duration of a battle, using it as a fast-moving cavalry unit to harass the enemy flanks.

This pack contains one Warg Marauder. This model is a finely detailed resin cast miniature supplied as seven separate components, and comes with one 40mm round base. This miniature is supplied unpainted and requires assembly - we recommend using Citadel Super Glue and Citadel Paints.

Watcher in the Water Figurine \$118 www.infinitas.com.au/Product.php?bar=5011921029471

An ancient evil from another age, the Watcher in the Water is a large, tentacled monstrosity that waits in the depths until it senses nearby prey. Exactly what this creature may be is a mystery; indeed, few have ever survived to tell of its existence and even the Fellowship of the Ring barely escaped its clutches alive. What is known is that it is incredibly powerful, able to tear a man in half with ease, or otherwise flatten him beneath its immense bulk.

This boxed set contains The Watcher in the Water - a finely detailed resin cast kit that comes in 19 components, including a large oval scenic base covered in rocks and the bodies of former victims. This miniature is supplied unpainted and requires assembly - we recommend using Citadel Super Glue and Citadel Paints.

There are 5 decks in this range. If you have a preference, please specify when ordering. The image is of one from the range.

Swift Justice: When you're surrounded by things that want to kill you, kill them first! Fearlessly lead your creatures headlong into battle, and their ferocity will win you the day.

Relentless Dead: Legions of shambling zombies await your command. Unleash your hordes to overwhelm your enemies, then raise an army of the dead with good old-fashioned necromancy.

Dark Sacrifice: The dark powers require a sacrifice, and now you can satisfy their diabolical demands. Your reward? Power to vanquish even the strongest foes.

Monstrous Surprise: Just when your enemies think you're down, you emerge stronger than before. If your creatures die, they return with a vengeance.

Grave Power: No need to fear death—it just makes you stronger! Fill your graveyard with creatures and then reap the rewards on the battlefield.

Mercy B Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9780141399966

At first the prisoner scratches at the walls until her fingers bleed. But there is no escaping the room. With no way of measuring time, her days, weeks, months go unrecorded. She vows not to go mad. She will not give her captors the satisfaction. She will die first.

Copenhagen detective Carl Mørck has been taken off homicide to run a newly created department for unsolved crimes. His first case concerns Merete Lynggaard, who vanished five years ago. Everyone says she's dead. Everyone says it's a waste of time. He thinks they're right.

The voice in the dark is distorted, harsh and without mercy. It says the prisoner's torture will only end when she answers one simple question. It is one she has asked herself a million times:

WHY is this happening?

Agatha Christie

The Mousetrap and Seven Other Plays B Paperback \$22.99 www.infinitas.com.au/Product.php?bar=9780007433421

THE MOUSETRAP, the longest-running play in the history of London's West End, begins its 60th Year run on 25 November 2011. This new edition of eight works show how Agatha Christie's plays are as compulsive as her novels, their colourful characters and ingenious plots providing yet more evidence of her mastery of the detective thriller.

THE MOUSETRAP: Cut off by snowdrifts, the owners of a new guest house encounter terror when one of their first visitors turns out to be a homicidal maniac...

AND THEN THERE WERE NONE: Ten guilty people are lured to an island mansion where an unknown killer begins to exact revenge...

APPOINTMENT WITH DEATH: The suffocating heat of an exotic Middle-Eastern setting provides a backdrop for murder...

THE HOLLOW: Beneath their respectable surface, a set of friends realise that any one of them could be a murderer...

WITNESS FOR THE PROSECUTION: A scheming wife testifies against her husband in a shocking murder trial...

TOWARDS ZERO: A psychopathic killer stalks unsuspecting victims in a seaside house perched high on a cliff...

VERDICT: Passion and love are the deadly ingredients in this thriller in which a murder causes an unexpected chain of events...

GO BACK FOR MURDER: A young woman discovers that her late mother was imprisoned for murdering her father and is determined to prove her innocence...

Dan, an Irishman who's ended up in New Jersey, finds himself embroiled in a world of murder, kidnapping and corrupt cops. Dan works as a bouncer in a seedy club, half in love with hostess Connie. When Connie is murdered on the premises, a vengeful Dan finds himself embroiled in an increasingly deadly sequence of events in which his doctor friend Zeb goes mysteriously missing, a cop-killing female cop becomes his only ally, and he makes an enemy of ruthless drug-dealer Mike Madden. Written with the warmth and wit that make the Artemis Fowl novels so irresistible, though with additional torture and violence, PLUGGED is a brilliant crime debut from a naturally gifted writer with a huge fanbase.

Pia Grazdani is an exceptional yet aloof medical student working closely with Columbia University Medical Center's premier scientist on cutting edge research that could revolutionize health care by creating replacement organs for critically-ill patients. Through her work with the brilliant molecular geneticist Dr. Tobias Rothman, Pia knows she will be given the chance to fulfill her ambition to participate in medical discoveries that can help millions while bringing her a measure of personal peace that might once and for all push aside memories of her difficult and abusive childhood. But when tragedy strikes in the lab, Pia, with the help of infatuated classmate George Wilson, launches an investigation into the unforeseen calamity in the hospital's supposedly secure biosafety lab.

Meanwhile, two ex-Wall Street whiz-kids think they have found another loadstone in the nation's multi-trillion dollar life insurance industry, and race to find ways to control actuarial data and securitize the policies of the aged and infirm to make another killing.

As Pia and George dig deeper into the events at the lab one question remains unanswered: is someone attempting to manipulate private insurance information to allow investors to benefit from the deaths of others?

Red Mist (*Scarpetta*) Hardcover \$54.95 www.infinitas.com.au/Product.php?bar=9780399158025

Determined to find out what happened to her former deputy chief, Jack Fielding, murdered six months earlier, Kay Scarpetta travels to the Georgia Prison for Women, where an inmate has information not only on Fielding, but also on a string of grisly killings. The murder of an Atlanta family years ago, a young woman on death row, and the inexplicable deaths of homeless people as far away as California seem unrelated. But Scarpetta discovers connections that compel her to conclude that what she thought ended with Fielding's death and an attempt on her own life is only the beginning of something far more destructive: a terrifying terrain of conspiracy and potential terrorism on an international scale. And she is the only one who can stop it.

Colin Cotterill

Slash and Burn (*Dr Siri*) Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9781616951160

Dr. Siri might finally be allowed to retire (again). Although he loves his two morgue assistants, he's tired of being Laos's national coroner, a job he never wanted in the first place. Plus, he's pushing eighty, and wants to spend some time with his wife before his untimely death (which has been predicted by the local transvestite fortune teller).

But retirement is not in the cards for Dr. Siri after all. He's dragged into one last job for the Lao government: supervising an excavation for the remains of U.S. fighter pilot who went down in the remote northern Lao jungle ten years earlier. The presence of American soldiers in Laos is a hot-button issue for both the Americans and the Lao involved, and the search party includes high-level politicians and scientists. But one member of the party is found dead, setting off a chain of accidents Dr. Siri suspects are not completely accidental. Everyone is trapped in a cabin in the jungle, and the bodies are starting to pile up. Can Dr. Siri get to the bottom of the MIA pilot's mysterious story before the fortune teller's prediction comes true?

Kenny Mancuso shot his childhood buddy Moogey Bues and then jumped bail. Now bounty hunter Stephanie Plum is on the case to track Kenny down.

Then someone finished Moogey off, Kenny can't be found, twenty-four coffins are missing, and there's some ex-army heavy artillery roaming the streets. And Joe Morelli - the cop with more than a professional interest in her every move - is tailing Stephanie.

With a healthy disregard for the law, and an unhealthy dependence on marshmallow hot chocolate, Stephanie's a match for anyone - even Morelli. That is, until her eccentric grandmother goes AWOL and little pieces of corpses start to disappear . . .

Three To Get Deadly (Stephanie plum 03) A Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780140256086

Cuddly Mo Bedemier, Trenton's favourite ice-cream seller, has gone missing. Stephanie Plum, carbohydrates' biggest fan, needs to track him down. But it's not raspberry ripple she's after: Mo's jumped bail, and Stephanie's job is bounty hunting. Nobody can believe Mo would do anything wrong. But Stephanie - with the help of big blonde Lula, good cop/bad cop Joe Morelli and fitness-freak Ranger - soon discovers that Mo has more than candy in his Basement. Uncovering the truth about Mo is one thing, but coping with dead drug dealers, a man-sized chicken and a seriously bright hair colour is pushing Stephanie to the edge. And when someone holds her hamster to ransom, things look like they're getting deadly.

Until It's Over B Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780141020914

Young and athletic, London cycle courier Astrid Bell is bad luck - for other people. First Astrid's neighbour Peggy Farrell accidentally knocks her off her bike - and not long after is found bludgeoned to death in an alley.

Then a few days later, Astrid is asked to pick up a package from a wealthy woman called Ingrid de Soto, only to find the client murdered in the hall of her luxurious home.

For the police it's more than coincidence. For Astrid and her six housemates it's the beginning of a nightmare: suspicious glances, bitter accusations, fallings out and a growing fear that the worst is yet to come . . . Because of it's true that bad luck comes in threes - who will be the next to die?

The Safe House B Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780141034126

You open your home and your heart to a victim. But your house is anything but safe . . .

Samantha Laschen is a doctor specialising in post-traumatic stress disorder. She's moved to the coast to escape her problems and to be alone with her young daughter.

But now the police want her to take in Fiona Mackenzie, a girl whose parents have been savagely murdered. Yet by allowing Fiona in, Sam is exposing herself - and her daughter - to risks she couldn't possibly have imagined . . .

Beneath the Skin B Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780141034140

Zoe, Jennifer and Nadia are three women with nothing in common. Except for the man who wants to kill them.

He sends them terrifying letters, full of the intimate details of their lives - and promises that he will bring those lives to a violent, horrible end. But not before he has enjoyed himself.

Invisible and apparently unstoppable, he delights in watching the women suffer, thrilled by his power to leave them utterly helpless, alone in their terror and confusion.

Except they're not all as helpless as he thinks . . .

The Red Room B Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780141034157

He almost took your life. Now his is in your hands . . .

After psychologist Kit Quinn is brutally attacked by a prisoner, she is determined to get straight back to work. When the police want her help in linking the man who attacked her to a series of murders, she refuses to simply accept the obvious.

But the closer her investigation takes her to the truth behind the savage crimes, the nearer Kit gets to the dark heart of her own terror.

Land of the Living B Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780141034164

You wake in the dark, gagged and bound. A man visits you, feeds you. And tells you that he will kill you - just like all the rest.

Abbie Devereaux doesn't know where she is or how she got there. She's so terrified she can barely remember her own name - and she's sure of just one thing: that she will survive this nightmare.

But even if she does make it back to the land of the living, Abbie knows that he'll still be out there, looking for her. And next time, there may be no escape . . .

Secret Smile B Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780141034171

You have an affair. You finish it. You think it's over. You're dead wrong . . .

Miranda Cotton thinks she's put boyfriend Brendan out of her life for good. But two weeks later, he's intimately involved with her sister.

Soon what began as an embarrassment becomes threatening - then even more terrifying than a girl's worst nightmare.

Because this time Brendan will stop at nothing to be part of Miranda's life - even if it means taking it from her . . .

Catch Me When I Fall B Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780141034188

You're a whirlwind. A success. You're living life on the edge. But who'll catch you when you fall?

Holly Krauss is a city girl burning the candle at both ends. Despite a comfortable home life, a tough job and friends who admire her, she secretly enjoys taking reckless, dangerous walks on the wild side.

But Holly can't keep those worlds separate forever. Soon enough her secret life bleeds into her safe one and everything spirals out of control. She's making mistakes at home and at work, owes money to the wrong people - and now it seems that someone's stalking her. Could it just be paranoia or is she in very real danger?

And who can you trust when you can no longer trust yourself?

Killing Me Softly B Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780141034195

You have everything. But you give it up for an affair.

You're in passionate love. And grave danger . . .

Alice Loudon couldn't resist abandoning her old, safe life for a wild affair. And in Adam Tallis, a rugged mountaineer with a murky past, she finds a man who can teach her things about herself that she never even suspected.

But sexual obsession has its dark side - and so does Adam. Soon both are threatening all that Alice has left. First her sanity. Then her life.

Losing You B Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780141035413

Nina Landry has given up city life for the isolated community of Sandling Island, lying off the bleak east coast of England. At night the wind howls. Sometimes they are cut off by the incoming tide. For Nina though it is home. It is safe.

But when Nina's teenage daughter Charlie fails to return from a sleepover on the day they're due to go on holiday, the island becomes a different place altogether. A place of secrets and suspicions. Where no one - friends, neighbours or the police - believes Nina's instinctive fear that her daughter is in terrible danger. Alone, she undergoes a frantic search for Charlie. And as day turns to night, she begins to doubt not just whether they'll leave the island for their holiday - but whether they will ever leave it again.

Police sergeant Vince Paulo held his best friend's dying daughter in his arms as, with her final breath, she uttered the name of her murderer: her ex-boyfriend, Jamal. Minutes later, the house exploded, shrouding Paulo in darkness forever.

Miami criminal defense lawyer Jack Swytek is shocked to discover that the client he's been assigned to defend, a young man facing the death penalty for terrorist activities, is already wanted for the murder of his girlfriend and the permanent blinding of a police officer. Jamal's alibi, that he was being held and tortured by government agents at the time of the girl's death, seems far-fetched. But a subsequent rash of slayings suggests there may be some veracity to the young man's story. That bitter truth is launching Jack into a deadly international hunt for a faceless killer known only as "the Dark," and plunging him deep into the terrifying heart of purest evil.

The phone rings. It's your daughter. She's been dead for four months.

So begins East Texas police dispatcher Ian Hunt's fight to get his daughter back. The call is cut off by the man who snatched her from her bedroom seven years ago, and a basic description of the kidnapper is all Ian has to go on. What follows is a bullet-strewn cross-country chase from Texas to California along Interstate 10- a wild ride in a 1965 Mustang that passes through the outlaw territory of No Country for Old Men and is shot through with moments of macabre violence that call to mind the novels of Thomas Harris.

The Talk Show Murders (Billy Blessing 03) Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9780385343701

Celebrity chef turned sleuth Billy Blessing finds his plate full of danger once again, as secrets from his long-buried past threaten to make a comeback. Before Billy had his five-star restaurant in New York, before he was tapped to co-host the morning show Wake Up, America! and travel with it for a week in the Windy City--before he even assumed the name Billy Blessing--he lived a totally different life under a very different identity: as wily con man Billy Blanchard. Caught trying to run a scam on a shady Detroit businessman, Billy did time for his crimes, reinvented himself, and has successfully kept that part of his past covered up ever since. But when he and Eddie Patton, a nosy ex-cop with a long memory, are guests on a popular Chicago TV talk show, the off-camera chat turns to blackmail. And Billy may have no choice but to pay up or see the embarrassing truth from being blogcast to the world on Patton's true crime website. This being Chicago, secrets have a way of getting out--and getting people killed. When Patton winds up dead in his apartment only hours after trying to shake Billy down, it's just the first in a string of killings that has America's most beloved TV host scrambling for clues, unsure who his friends are, and desperate to clear his name before he becomes the media's latest poster child for celebrity scandal. Throw in a budding romance with a visiting movie star and Billy Blessing may have finally gotten himself into one sticky situation even he can't talk his way out of. Fast-paced, funny, and bubbling over with inside scoop on the business they call show, *The Talk Show Murders* is Al Roker mystery fiction at its delicious, dishy best

The news is full of it: escalating tensions from illegal immigration; headless bodies hanging off bridges and bounties placed on lawmen on both sides of the border. New Austin, Ohio, is a town grappling with waves of undocumented workers who exert tremendous pressure on schools, police and city services. In the midst of the turmoil, three very different kinds of cops scramble to maintain control and impose order.

But the rape-murder of a Mexican-American woman triggers a brutal chain of events that threatens to leave no survivors. *El Gavilan* is a novel of shifting alliances and whiplash switchbacks. Families are divided and careers and lives threatened. Friendships and ideals are tested and budding love affairs challenged. With its topical themes, shades-of-gray characters and dark canvas, *El Gavilan* is a novel for our charged times.

Terrorist B Paperback \$24.95 www.infinitas.com.au/Product.php?bar=9780141027845

In his extraordinary and highly charged new novel, John Updike tackles one of America's most burning issues – the threat of Islamist terror from within. Set in contemporary New Jersey, *Terrorist* traces the journey of one young man, from radicalism to fundamentalism to terrorism, against the backdrop of a fraying urban landscape and an increasingly fragmented community. In beautiful prose, Updike dramatizes the logic of the fundamentalist terrorist – but also suggests ways in which we can counter it, in our words and our actions . . .

'There is madness in the family.'

Kerstin Kvist enters crumbling Lydstep Old Hall to live with the Cosways and to act as nurse to John: a grown man fed drugs by his family to control his lunatic episodes. But John's strangeness is grotesquely mirrored in that of his four sisters who roam the dark, mazy Essex country house under the strict gaze of eighty-year-old Mrs Cosway.

Despite being treated as an outsider, Kerstin is nevertheless determined to help John. But she soon discovers that there are others in the family who are equally as determined that John remain isolated, for sinister reasons of their own . . .

Before I Go To Sleep B Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9781921758980

Christine wakes in a strange bed beside a man she does not recognise. In the bathroom she finds a photograph of him taped to the mirror, and beneath it the words 'Your husband'.

Each day, Christine wakes knowing nothing of her life. Each night, her mind erases the day. But before she goes to sleep, she will recover fragments from her past, flashbacks to the accident that damaged her, and then—mercifully—she will forget.

Chilling, exquisitely crafted and compulsively readable, S. J. Watson's debut novel *Before I Go to Sleep* is a psychological thriller of the highest order. It asks primary questions. Are there things best not remembered? Who are we if we do not know our own history? How do we love without memory?

Breaking the Rules (Troubleshooters 16) A Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780345521231

When Eden Gillman needed someone most, Navy SEAL Izzy Zanella was always there for her, offering a place to stay and a shoulder to cry on. And when she got pregnant with another man's child, he offered his hand in marriage. Their life together seemed meant to be, until Eden's miscarriage left them devastated and estranged. Yet in order to save Eden's teenage brother, Ben, from his abusive stepfather, Eden once again reaches out to Izzy for help. He doesn't hesitate to reach back, and there's no denying the passion that still crackles between them. Together they wage a courtroom battle and win custody. But when Ben attracts some dangerous enemies, Izzy and Eden must pull together like never before and strike back, swift and hard, to protect their own, and everything they hold most precious.

Howard Miracle: Interview from the 7.30 Report Trade Paperback \$23.95 www.infinitas.com.au/Product.php?bar=9781877008856

More wonderful interviews with Australia's leading citizens, drawn from John Clarke and Bryan Dawe's weekly broadcasts on ABC TV's 7.30 Report.

Every Thursday evening, at the end of the ABC TV 7:30 Report, John Clarke and long-time collaborator Bryan Dawe conduct a mock interview in which they satirise a current political issue or personality. In *The Howard Miracle* John Clarke, fully paid-up national treasure, presents a new collection of interviews, spanning the life of the Howard government.

The last collection of these interviews published by Text was *Still the Two*, in 1997, which sold extremely well. Since then John Clarke's fame has grown considerably. He's now one of the best-known and loved faces on TV.

The *Howard Miracle* interviews are a wonderful and hilarious record of the highs and lows in the political career of our current government. This is a great book for every Australian household, and will make a wonderful gift.

Build Your Own Time Machine: The Real Science of Time Travel Hardcover \$32.99

www.infinitas.com.au/Product.php?bar=9780715642900

There is no physical law to prevent time travel - nothing in physics to say that it is not possible. So surely the invention of a time machine is just a matter of ... time?

In *Build Your Own Time Machine*, acclaimed science author Brian Clegg takes inspiration from his childhood heroes Doctor Who and H. G. Wells to explain the nature of time. How do we understand it and why measure it the way we do? How did the theories of one man change the way time was perceived by the world? Why wouldn't H. G. Wells's time machine have worked? And what would we need to do to make a real one? Brian Clegg applies the most famous of Einstein's theories, special and general relativity, to the laws of time to show the real science of time travel and how possible it really is.

Excalibur (Warlord Chronicles 03) B Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780241955697

Arthur's final test of courage is upon him . . .

Arthur has crushed Lancelot's rebellion, but at a cost. Guinevere's betrayal has left him reeling, and his Saxon enemies seek to destroy him while he is weak. Chaos threatens to engulf Britain. Yet Arthur is a military genius and noble leader. As the battle draws close, he prepares to fight his way to victory at Mount Badon and also win back the woman he lost. But in the final journey of the warlord, the intrigues of Mordred, now the adult heir to the throne of Britain, and the magics of the priestess Nimue could prove to be Arthur's downfall.

Elizabeth Finkel Australian author

The Genome Generation Trade Paperback \$32.95 www.infinitas.com.au/Product.php?bar=9780522856477

The year 2001 saw the completion of the human genome project, the culmination of a fourteen-year, \$3 billion international race to read every letter of the code that makes up a human being. Reading this code was the most profound revelation in the history of knowledge, with the potential to unveil the secret of what makes us human. After three years of investigation, Elizabeth Finkel brings us the biggest news stories from the genetics frontier. She looks at the revolution in the areas of medicine, agriculture and evolution, travelling from Botswana to Boston, from Singapore to Mexico, from wheatfields in the Wimmera plains to laboratories all over Australia to help us understand what is happening in 'The Genome Generation'.

Kathleen O'Neal Gear & W Michael Gear

The Broken Land (People of the Longhouse 03) Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9780765326942

A novel of North America's Forgotten Past

Twelve summers after the events of *The People of the Longhouse* and *The Dawn Country*, the Iroquois nations remain locked in bitter warfare. Atotarho, the cannibal-sorcerer who leads the People of the Hills, schemes to set into motion a cataclysmic battle that threatens to destroy the Iroquoian world. His warriors spread fear and death wherever they go, taking captives and burning villages to the ground.

Only five people are brave enough to challenge Atotarho. Odion, Wrass, Tutelo, Baji, and Zateri, kidnapped as children and sold into slavery, are now grown, and they have forged a desperate alliance that just might be strong enough to stop the madman.

Odion, now a disgraced warrior known as Dekanawida or Sky Messenger, must convince his people that his visions of a great darkness will mean total destruction for all. His friend Wrass, who has become War Chief Hiyawento, and a powerful clan matron, Jigonsaseh, are his only hope. They must find a way to bring five warring nations together.

Bestselling authors and archaeologists Kathleen O'Neal Gear and W. Michael Gear continue their retelling of the story of the Peacemaker, one of North America's most beautiful epics. Dekanawida's message of compassion and spiritual unity is as powerful today as it was six hundred years ago—perhaps even more so.

Distrust that Particular Flavor Trade Paperback \$29.95 www.infinitas.com.au/Product.php?bar=9780670921546

'The future's already here: it's just not evenly distributed'

William Gibson was writing fiction when he predicted the internet. And as his stories bled into reality so he became one of the first to report on the real-world consequences of cyberspace's growth and development.

Now, with the dust settling on the first internet revolution, comes Gibson's first collection of non-fiction - essays from the technological and cultural frontiers of this new world.

Covering a variety of subjects, they include:

Metrophagy - the Art and Science of Digesting Great Cities

An account of obsession in 'the world's attic' – eBay

Reasons why 'The Net is a Waste of Time'

Singapore as 'Disneyland with the Death Penalty'

A primer on Japan, our default setting for the future

These and many other pieces, collected for the first time in *Distrust that Particular Flavour*, are studded with revealing autobiographical fragments and map the development of Gibson's acute perceptions about modern life.

Here then is a guide to the new territory we find ourselves in - written by one of its discoverers.

Jules Watson Australian author

Song of the North (AKA The Boar Stone) (Song of the North 03) Hardcover \$34.95

www.infinitas.com.au/Product.php?bar=9781590200506

Song of the North is the same novel as *The Boar Stone*

Roman England, AD 366. Minna, a beautiful Roman serving girl, finds herself thrust into the wilds of barbarian Scotland with acrobat Cian, a tribeless youth loyal only to himself. Here, they are trapped between Roman scouts fighting to subdue the dark, tattooed Picts, and the Scottish warring tribes themselves. Caught between these forces is Cahir, King of the Dalriadans of western Scotland, who has watched his power dwindle and his people fall under the Roman yoke.

At Dunadd, Cahir's fort, Minna hears songs that tell of his ancestors, Rhiann and Eremon, and it stirs dreams and visions within her: visions of Scotland, battles and bloodshed. And despite her loyalties to her Roman upbringing, as the war for Scottish freedom unfolds, Minna struggles against an irresistible call of her blood, a call that reveals a destiny she shares with the wounded king Cahir, and which binds her inevitably to Dalriada and its people.
