## Gaming at Infinitas

Our **Magic the Gathering Avacyn Restored** pre-release event was highly successful, with many MTG gamers participating. There was competition for chairs and tables as the low level D&D table was running at the same time. Saturday mornings are turning into gaming events with something happening most weeks. The new MTG set Avacyn Restored is now released with Fat Packs, boosters and decks available.

## Gamers Wanted

**Classic Battletech:** An Infinitas regular is looking for gamers to play the tabletop miniature game Classic Battletech. Ask at the shop for contact details.

**Star Wars KOTOR RPG:** We are looking for players to participate in a D&D style d20 game, set in the Star Wars universe Knights of the Old Republic era. Player characters will be provided. Ask at the shop for Justin's contact details.

## External Events

**Winterfest** is a festival of medieval re-enactments and related arts held in Parramatta Park on the weekend of 30<sup>th</sup> June and 1<sup>st</sup> July 2012. This is a brilliant weekend with sword fighting, archery, craft displays, full contact jousting, falconry, stalls and more. Last year Infinitas ran a stall, and we can say it was a friendly crowd.

### *Vulpi* by **Kate Gordon** reviewed by Len Newland

<http://www.infinitas.com.au/Product.php?bar=9781742752365>

This book is young adult (14-16 yo girls) werewolf type fantasy fiction, except there are no wolves (I think), although as the title implies there are werefoxes. The first chapter is labelled "1", but the book is uncompleted Volume 2 (at least) of a serial, indicated on my proof copy only by the footnote in the rear cover blurb; there's no title reference to the previous volume(s), and the uninformed buyer can be trapped. In this instalment, first person character Cat Connolly (16 yo) is reconciled to being a "thyla", having somehow become one previously, but is still left to finish off the bad guys.

Lacking a catchup opening, this book needs to be read after the preceding volume(s) to understand the characters, setting (in Tasmania) and story problem. For instance, of the terms "thyla", "sarco" and "diemen" mentioned at the beginning, "thyla" apparently refers to a werethylacine, but the other two are left for the reader to guess at; other aspects of the story are similarly vague through to the end. These weres transform into still identifiable fang-and-claw human aberrations rather than pure animals, like Buffy's vampires. The story is slow to start, but builds up well to a finale loaded with thrill contrivances. Despite average English, this volume is easy to read with good grab. I'm sure readers who start with Volume 1 will enjoy the whole serial and appreciate werethylacines as a nice change from werewolves.

### *Virals* by **Kathy Reichs**, reviewed by Dan

<http://www.infinitas.com.au/Product.php?bar=9780099544548>

Six months ago Tory Brennan's life changed forever, when her mother died and she went to live with her previously unknown father, Kit. Now, she lives on an almost deserted island in a converted ex-Civil War barracks, along with 9 other families, each in their own unit. There's not much to do on Morris Island for the 4 resident teenagers, as 'civilisation' is a 40 minute drive away, or a boat trip across the harbour to Charleston or Loggerhead Island, the University's researchers (and family) only precinct.

Now Tory and her Morris Island friends' lives are about to change forever, together. The trouble starts when Tory, Hi, Ben and Shelton visit Loggerhead Island and take a detour to the beach, instead of following the main trail. When a monkey becomes upset at their proximity and throws a set of dog-tags at the kids, things take an interesting turn. Tory uses her inquisitive nature and new research kit (supplied by her new-found great-aunt Tempe "Bones") to uncover the owner of the dog tags, and a 40 year old mystery, as she and her friends gain some new connections.

This is the first book in a new series by Kathy Reichs aimed at a teenage audience. Tory has inherited some of Temperance Brennan's (from her Bones series) scientific nature, and is otherwise a typical, active teenager wanting to get out and do stuff with her friends. An easy read for an adult, and perfectly suited for younger readers, with a mystery to unravel and characters that have substance to them.

I enjoyed this book, and want to continue reading this series, as I expect most readers will too!

Expand your mind, Enter new worlds.

Peter Grant is learning magic fast. And its just as well - he's already had run-ins with the deadly supernatural children of the Thames and a terrifying killer in Soho. Progression in the Police Force is less easy. Especially when you work in a department of two. A department that doesn't even officially exist. A department that if you did describe it to most people would get you laughed at. And then there's his love life. The last person he fell for ended up seriously dead. It wasn't his fault, but still.

Now something horrible is happening in the labyrinth of tunnels that make up the tube system that honeycombs the ancient foundations of London. And delays on the Northern line is the very least of it. Time to call in the Met's Economic and Specialist Crime Unit 9, aka 'The Folly'. Time to call in PC Peter Grant, Britain's Last Wizard.

War casts its shadow over the lands that the dragons once ruled.

When an act of harrowing betrayal threatens to set the cities afire, all certainties are called into question. Only the courage of a young woman with the mind of a gambler and loyalty to no one stands between hope and universal darkness.

The high and powerful will fall, the despised and broken shall rise up, and everything will be remade. And quietly, almost beneath the notice of anyone, an old, broken-hearted warrior and an apostate priest will begin a terrible journey with an impossible goal: destroy a Goddess before she eats the world.

*The High Crusade* A Paperback \$17.95 [www.infinitas.com.au/Product.php?bar=9781451638325](http://www.infinitas.com.au/Product.php?bar=9781451638325)

In the year of grace 1345, as Sir Roger Baron de Tourneville is gathering an army to join King Edward III in the war against France, a most astonishing event occurs: a huge silver ship descends through the sky and lands in a pasture beside the little village of Ansby in northeastern Lincolnshire. The Wersgorix, whose scouting ship it is, are quite expert at taking over planets, and having determined from orbit that this one was suitable, they initiate standard world-conquering procedure. Ah, but this time it's no mere primitives the Wersgorix seek to enslave—they've launched their invasion against free Englishmen! In the end, only one alien is left alive—and Sir Roger's grand vision is born. He intends for the creature to fly the ship first to France to aid his King, then on to the Holy Land to vanquish the infidel. Unfortunately, he has not allowed for the treachery of the alien pilot, who instead takes the craft to his home planet, where, he thinks, these upstart barbarians will have no choice but to surrender. But that knavish alien little understands the indomitable will and clever resourcefulness of Englishmen, no matter how great the odds against them. . .

In late 1700s Paris, a young but promising illusionist dabbles in the arcane art of phantasmagoria. But at his moment of greatest triumph - unveiling a magical lantern said to open a door to the Chinese spirit world - he is violently struck down by a vengeful phantom?.

On assignment in London, archaeologist Annja Creed is hunting down a man who claims to have discovered the Jekyll and Hyde potion. On the trail of one curiosity, Annja finds herself pulled toward another mystery - the origin of a strange, old-fashioned projector once used by eighteenth-century illusionists. As Annja delves into its rich history, a dark past begins to emerge. And someone wants to harness the power of this cursed artifact - risking everything for the treasures it promises.

But Annja has a little magic trick of her own. One that she wields with deadly accuracy.

If you're visiting the flying city of Amperstam without the latest printing of The Lurker's Guide, you might as well be lost. This one-sheet is written, edited, and printed by Ashe, a girl raised on the streets of the flying city, and is dedicated to revealing its hidden treasures and deepest secrets - including many that the overcontrolling government doesn't want anyone to know. The stakes are raised when Ashe accidentally uncovers the horror of exactly how Amperstam travels among the skies and garners the attention of those who would rather that secret be kept in the hands of the city's powerful leaders.

Soon Ashe is on the run from thugs and assassins, faced with the choice of imperiling her life just to keep publishing, or giving in to the suggestion of a rich patron that she trade in her voice and identity for a quiet, comfortable life. It's a war of confusion for Ashe, but one thing is very clear: just because you live in a flying city, you can't always keep your head in the clouds.

***Palaces of Light (Deathlands 104)*** A Paperback \$14.95 [www.infinitas.com.au/Product.php?bar=9780373626144](http://www.infinitas.com.au/Product.php?bar=9780373626144)

Remnants of America's past are littered across the postapocalyptic landscape, but little remains of the predark ideals of law and order. Survival is a blood quest, and lethal force the means to power. Still, a handful retains their humanity among the cold hearts, and in a world where nothing lasts forever, hope is a commodity as precious as jack.

Steeped in beauty and mysticism, the canyons of Mesa Verde, Colorado, survived the blast that altered the American west. Hired to track a group of missing children, Ryan Cawdor and his band follow the trail to a legendary city carved in stone, older and stronger than the nukecaust. The inhabitants of the palaces of light are more than warriors and survivors; they are masters of mind games that prey on illusion. And true believers in a metaphysical end game poised to push the companions over the edge of reality...into certain death.

***Dragon City (Outlanders 61)*** A Paperback \$14.95 [www.infinitas.com.au/Product.php?bar=9780373638741](http://www.infinitas.com.au/Product.php?bar=9780373638741)

**AFTER THE END**

Humanity has been held in subjugation for thousands of years, manipulated by a cruel alien race. But what began as a game among self-styled gods evolved into an internecine power play. Divided by ego and greed, the enemy faced resistance and a reckoning from an intrepid group of human rebels. But now the Cerberus operation lies in disarray, its members missing or broken, even as the Annunaki threat is reborn in a new and more horrifying form.

**THE GOD MACHINE**

Enlil, cruelest of them all, is set to revive the sadistic pantheon that will rule the Earth. Based in his vast Dragon City, Enlil plans to create infinite gods at the cost of humankind. With the Cerberus team at its lowest ebb, can they possibly stop his twisted plan? Or are they, too, destined to be absorbed by the God Machine?

***The Drowned Cities*** B Paperback \$17.99 [www.infinitas.com.au/Product.php?bar=9781907411113](http://www.infinitas.com.au/Product.php?bar=9781907411113)

Award-winning author Paolo Bacigalupi delivers a thrilling, fast-paced adventure set in a vivid and raw, uncertain future.

In this exhilarating companion to Printz Award winner and National Book Award finalist SHIP BREAKER, Paolo Bacigalupi brilliantly captures a dark future America that has devolved into unending civil wars, driven by demagogues who recruit children to become soulless killing machines.

Two refugees of these wars, Mahlia and Mouse, are known as 'war maggots': survivors who have barely managed to escape the unspeakable violence plaguing the war-torn lands of the Drowned Cities. But their fragile safety is threatened when they discover a wounded half-man - a bioengineered war beast named Tool, who is hunted by a vengeful band of soldiers.

When tragedy strikes, Mahlia is faced with an impossible decision: risk everything to save the boy who once saved her, or flee to her own safety.

Drawing upon the brutal truths of current events, THE DROWNED CITIES is a powerful story of loyalty, survival and heart-pounding adventure.

***Embrace of the Damned (Brotherhood of the Damned)*** A Paperback \$17.95 [www.infinitas.com.au/Product.php?bar=9780425247969](http://www.infinitas.com.au/Product.php?bar=9780425247969)

When Broder Calderson, a warrior condemned to an immortal life of battle against blood-drinkers from Hel, is offered a woman as reward for his good service, he chooses Jessamine Hamilton, but the truth of who--and what--she is could destroy him.

**Alan Baxter Australian Author**

***RealmShift (Samuel Harrigan 01)*** Trade Paperback \$19.95 [www.infinitas.com.au/Product.php?bar=9780982508749](http://www.infinitas.com.au/Product.php?bar=9780982508749)

Isiah is having a tough time. The Devil is making his job very difficult.

Samuel Harrigan is a murdering lowlife. He used ancient blood magic to escape a deal with the Devil and now he's on the trail of a crystal skull that he believes will complete his efforts to evade Lucifer. But Lucifer wants Samuel's soul for eternity and refuses to wait a second longer for it. Isiah needs Samuel to keep looking for the crystal skull, so he has to protect Sam and keep the Devil at bay. Not for Samuel's sake, but for all of humanity. RealmShift is an engrossing Dark Fantasy thriller; a fascinating exploration of the nature of people's beliefs and their effect on the world around them. Magic, action and intrigue, from dank city streets to the depths of Hell and beyond.

**Alan Baxter Australian Author**

***MageSign (Samuel Harrigan 02)*** Trade Paperback \$19.95 [www.infinitas.com.au/Product.php?bar=9780982508756](http://www.infinitas.com.au/Product.php?bar=9780982508756)

Three years have passed since Isiah's run in with Samuel Harrigan and the Devil. He has some time on his hands - a perfect opportunity to track down the evil Sorcerer, Harrigan's mentor. It should have been a simple enough task, but the Sorcerer has more followers than Isiah ever imagined, and a plan bigger than anyone could have dreamed.

With the help of some powerful new friends Isiah desperately tries to track down the Sorcerer and his cult of blood before they manage to change the world forever.

In this long-awaited sequel to the highly acclaimed RealmShift, Baxter once again keeps a breathless pace and blistering intensity with gods, demons and humans entangled in magic and conflict. This is dark fantasy at its best.

***Moxyland*** A Paperback \$17.95 [www.infinitas.com.au/Product.php?bar=9780857660046](http://www.infinitas.com.au/Product.php?bar=9780857660046)

What's really going on? Who's really in charge? You have NO. F\*\*\*KING. IDEA.

A frighteningly persuasive, high-tech fable, this novel follows the lives of four narrators living in an alternative futuristic Cape Town, South Africa. An art-school dropout, and AIDS baby, a tech-activist and an RPG-obsessed blogger live in a world where your online identity is at least as important as your physical one. Getting disconnected is a punishment worse than imprisonment, but someone's got to stand up to Government Inc. - whatever the cost. Taking hedonistic trends in society to their ultimate conclusions, this tale paints anything but a forecasted utopia, satirically undermining the reified idea of progress as society's white knight.

The stunning conclusion to the Curseworkers series finds Cassel in the most dangerous con of all and with this life on the line he may be forced to make his biggest gamble yet...

Cassel Sharpe knows he's been used as an assassin, but he's trying to put all that behind him. He's trying to be good, even though he grew up in a family of con artists and cheating comes as easily as breathing to him. He's trying to do the right thing, even though the girl he loves is inextricably connected with crime. And he's trying to convince himself that working for the Feds is smart, even though he's been raised to believe the government is the enemy.

But with a mother on the lam, the girl he loves about to take her place in the Mob and new secrets coming to light, the line between what's right and what's wrong becomes increasingly blurred. When the Feds ask Cassel to do the one thing he said he would never do again, he needs to sort out what's a con and what's truth. In a dangerous game and with his life on the line, Cassel may have to make his biggest gamble yet - this time on love.

For twenty-five gold pieces a day, plus expenses, Eddie LaCrosse will take on almost any case. But the unexpected delivery of a coffin in the dead of winter forces LaCrosse to look at a bygone chapter of his life and the premeditated murder of a dream.

Ruled by the noble King Marcus Drake, the island kingdom of Grand Braun is an oasis of peace and justice in an imperfect world. At least until the beautiful Queen Jennifer is accused of adultery and murder. In the wrong castle at the wrong time, Eddie finds himself drafted at sword's point to solve the mystery. With time running out, and powerful nobles all too eager to pin the murder on Eddie himself, he must unravel a tangled web of palace intrigues, buried secrets, and bewitching women - before the entire kingdom erupts into civil war.

Murder, mystery, and magic - just another day on the job for Eddie LaCrosse.

It begins with a door in a dusky corner of a basement in a rambling Victorian house in northern New Hampshire. A door that someone has sealed it shut with thirty-nine enormous carriage bolts.

The home's new owners are Chip and Emily Linton and their twin daughters. Chip was an airline pilot until he was forced to crash land on a remote lake the jet he was flying after double engine failure. Thirty-nine people aboard Flight 1611 died that day - a coincidence not lost on Chip when he discovers the number of bolts in that basement door . . .

Meanwhile, his wife is increasingly troubled about the women in this sparsely populated village, self-proclaimed 'herbalists'. Why do they seem excessively interested in her young daughters. Emily is terrified, too, that her husband's grip on sanity seems to have become increasingly tenuous, in the wake of the devastating plane accident.

Admiral John "Black Jack" Geary earned his rank after being revived from cryogenic sleep to lead the Alliance to victory against the Syndicate Worlds. But his superiors question his loyalty to the regime. Now in command of the First Fleet, Geary is tasked with exploring the frontier beyond Syndic space, a mission he fears deliberately puts the fleet--and himself--in harm's way. An encounter with the alien enigmas confirms Geary's fears. Attacked without warning, he orders the fleet to jump star systems--only to enter the crosshairs of another hostile alien armada. Ignoring all of the First Fleet's attempts to communicate peaceful intentions, this system's species sends its ships into battle on suicide runs while it guards the exiting jump point with a fortress of incalculable power. Now, with a faction of his officers determined to eliminate this new threat at any cost, Geary must figure out how to breach the enemy's defenses so the fleet can reach the jump point without massive casualties--even though the enigmas could be waiting on the other side..

1593. Walsingham has been dead for two years and a new mood of suspicion and mistrust sweeps through England's network of spies. No one feels safe. Even the great Will Swyfte must watch his back. Then Will's best friend, playwright and spy Kit Marlowe is accused of being a double agent and Will knows he must act...but too late, Marlowe is killed in a pub brawl that has all the hallmarks of an assassination. Going in search of Marlowe's killer, Will discovers that key members of England's ruling class, including many of Walsingham's men, are not who they claim to be: they look - and act - the same but they are changelings, straw men brought to hideous life through the vile magick of the Unseelie Court. In an atmosphere of growing paranoia, Will is branded a traitor and goes on the run. The glass has turned: he must uncover the true nature of this supernatural conspiracy or the executioner's block awaits...Will Swyfte - swordsman, adventurer, scholar, rake, and the greatest of Elizabethan England's new breed of spy - and his comrades in covert arms must once again venture forth into the dark, deadly world of the vengeful Unseelie folk in defence of Queene and Countrie!

Francesca DeVega is a successful healer in the city of Avel, wielding magical text to close wounds and dispell curses, but her life is thrown into chaos when a dead patient suddenly sits up and tells her to run. Now Francesca is in the middle of a game she doesn't understand, one that ties her to the notorious rogue wizard, Nicodemus Weal, and brings her face to face with demons, demigods, and a man she thought she'd never see again.

It has been ten years since Nicodemus Weal escaped the Starhaven Academy, where he was considered disabled and useless, where he battled the demon who stole his birthright and killed his friends. Unable to use the magical languages of his own people, Nico has honed his skills in the dark language of the kobolds, readying himself for his next encounter with the demon. But there are complications: his mentor suffers from an incurable curse, his half-sister's agents are hunting him, and he's still not sure what part Francesca DeVega will play. He certainly doesn't know what to make of Francesca herself...

Introducing new twists to the unique magical system of SPELLWRIGHT and uncovering more sinister dangers, SPELLBOUND is sure to please Blake Charlton's fans and earn him new ones.

The epic new chapter in the history of Malazan - the new epic fantasy from Steven Erikson's friend and co-creator of this extraordinary and exciting imagined world.

Darujhistan, city of dreams, city of blue flames, is peaceful at last; its citizens free to return to politicking, bickering, trading and, above all, enjoying the good things in life. Yet there are those who will not allow the past to remain buried. A scholar digging in the plains stumbles across an ancient sealed vault. The merchant Humble Measure schemes to drive out the remaining Malazan invaders. And the surviving agents of a long-lost power are stirring, for they sense change and so, opportunity. While, as ever at the centre of everything, a thief in a red waistcoat and of rotund proportions walks the streets, juggling in one hand custard pastries, and in the other the fate of the city itself.

Far to the south, fragments of the titanic Moon's Spawn have crashed into the Rivan Sea creating a series of isles...and a fortune hunter's dream. A Malazan veteran calling himself 'Red' ventures out to try his luck - and perhaps say goodbye to old friends. But there he finds far more than he'd bargained for as the rush to claim the Spawn's treasures descends into a mad scramble of chaos and bloodshed. For powers from across the world have gathered here, searching for the legendary Throne of Night. The impact of these events are far reaching, it seems. On an unremarkable island off the coast of Genabackis, a people who had turned their backs upon all such strivings now lift their masked faces towards the mainland and recall the ancient prophesy of a return.

And what about the ex-Claw of the Malazan Empire who now walks the uttermost edge of creation? His mission - the success or failure of which the Queen of Dreams saw long ago - is destined to shape far more than anyone could have ever imagined.

When you open your eyes things already seem to be happening without you. You don't know who you are and you don't remember where you've been. You know the world has changed, that a catastrophe has destroyed what used to exist before, but you can't remember exactly what did exist before. And you're paralyzed from the waist down apparently, but you don't remember that either.

A man claiming to be your friend tells you your services are required. Something crucial has been stolen, but what he tells you about it doesn't quite add up. You've got to get it back or something bad is going to happen. And you've got to get it back fast, so they can freeze you again before your own time runs out.

Before you know it, you're being carried through a ruined landscape on the backs of two men in hazard suits who don't seem anything like you at all, heading toward something you don't understand that may well end up being the death of you.

Welcome to the life of Josef Hork.

Humanity is first subjugated by haughty alien colonizers calling themselves the Jao when Earth is unexpectedly attacked by the implacable and nearly-unstoppable Ekhat, exterminators of all intelligent life not their own. Now the fragile Human-Jao alliance is put to the test. A devastating encounter with the Ekhat in a distant nebula reveals a powerful alien society that may hold the key to defeating the Ekhat once and for all. There's one big problem: they utterly loathe humanity's ally, the Jao. And why shouldn't they? It was the Jao who drove them into hiding in the first place. Once again, everything depends on those innovators and idea-generators, the humans, to quell a brewing war and forge a tripartite alliance of very different species or be blasted to empty cinders if they don't succeed.

Continues the saga of modern-day man Mike Stearns, who, as general of the United States of Europe in an alternate-reality seventeenth-century, must restore order in Saxony before another more ruthless general massacres the masses.

Alternate history master Eric Flint returns in top form with an epic addition to the multiple New York Times best selling Ring of Fire series. A cosmic accident sets the modern town of Grantville, West Virginia, down in war-torn seventeenth century Europe and a new nation is forged. Now when United States of Europe ally King Gustavas of Sweden invades Poland, the U.S. of E. is dragged into a full-scale European war against ruthless opponents. Meanwhile Mike Stearns, wily and courageous leader of the up-time West Virginians, has been turned out of office in an election. But, like Churchill (before and after him) Stearns is not done yet. He's determined to stoke the fires of democratic rebellion in Saxony near the main front, and thus keep the young nation he founded, and once led, out of the hands of medieval tyrants who would like nothing better than to wipe those troublesome upstarts from the future off the timeline and go back to the bad old days of oppression and serfdom.

Matthew Swift, sorcerer, Midnight Mayor, is in charge. Or so he'd like to think. And London, being London, is having its issues. Drug use is rampant. Teenage vandalism is driving away business. Violent crimes are on the rise. Once upon a time, Matthew Swift wouldn't have given a toss. Now it's his mess to clean up.

Especially when the new drug on the market is fairy dust and the production process involves turning humans into walking drug labs. And when the teenage vandals are being hunted by a mystical creature. And when the petty criminals of London start dying by magical means.

It becomes clear that not only is this Swift's mess to clean up, but someone is trying to tell him how to do his job. Now he has to sort out who's behind the crime wave and who's interfering in his business. Swift has a lot of old enemies and few friends. If he's going to save London from a rising tide of blood -- he's going to have to learn his lessons and fast.

The second volume in a gripping fantasy series about ambition, revenge and the rise of a vampire assassin - from this critically acclaimed British author.

As the Byzantine and German emperors plot war against each other, Venice's future rests in the hands of three unwilling people:

The newly knighted Sir Tycho. An ex-slave and trained assassin who defeated the Mamluk navy but cannot make the woman he loves love him back. Tortured by secrets, afraid of the daylight, he sees no reason to save a city he hates.

The grieving Lady Giuletta. Impossibly rich, deeply spoilt. A virgin, a mother, a widow... Both emperors want her hand for their sons in marriage. All she wants is to retire from the poisonous world of the Venetian court to mourn her husband in peace.

And finally a naked, mud-strewn girl who crawls from a paupers' grave on an island in the Venetian lagoon and begins by killing the men who buried her.

In the far future, Mars dies a second time. The Final War between man and the spirits is beginning.

In a last bid for peace, disgraced champion Yoechakanon Val Mora and his spirit lover Cybele are set free to find the long-missing Librarian of Mars, the only hope to save the remnants of mankind. In the near-future Dr Holland, a scientist running from a painful past, joins the Mars colonisation effort, cataloguing the remnants of Mars' biosphere before it is swept away by the terraformation programme.

When an artefact is discovered deep in the caverns of the red planet, the actions of Holland and his team lead to tragedy, with profound consequences that ripple throughout time, affecting Holland's present, the distant days of Yoechakanon, and the eras that bridge the aeons between.

Sookie has a murder investigation on her hands. A young girl has died at a vampire party - and it looks as though her lover, Eric, might be responsible. Eric swears he didn't do it, the police don't believe him, and even Sookie isn't so sure. Nor is she inclined to take his word for it, not having caught him enjoying the victim's blood minutes before she was killed. But something strange is going on. Why had Sookie been asked to come to the fateful party a few minutes early - just to catch Eric in the act? And why had the victim spiked her blood before approaching Eric? Was it simply because she wanted to be irresistible, or was it something more sinister? Sookie will have to find out ... but it's the worst moment to investigate, as her Fae family are having troubles of their own and Sookie is, inevitably, drawn in. And there is one last complication. The cluviel dor her grandmother left her. It will grant her one wish, which could fulfil Sookie's heart's desire. The only problem is, she still doesn't know what - or who - her heart truly desires...

A bold and exciting new voice in paranormal romance - and a fantastic new addition to Piatkus' ever-growing genre list.

Half-human and half-wyr, Pia Giovanni spent her life keeping a low profile among the wyrkind and avoiding the continuing conflict between them and their Dark Fae enemies. But after being blackmailed into stealing a coin from the hoard of a dragon, Pia finds herself targeted by one of the most powerful - and passionate - of the Elder Races.

As the most feared and respected of the wyrkind, Dragos Cuelebre cannot believe someone had the audacity to steal from him, much less succeed. And when he catches the thief, Dragos spares her life, claiming her as his own to further explore the desire they've ignited in one another.

From the moment Katy sees Genevieve's beautiful face staring at her from a window, her life will never be the same. Wherever Katy turns, Genevieve is there - at school, with Katy's friends, and worst of all, trying to seduce Katy's hot new boyfriend.

But Genevieve has a menacing side, a dangerous side, a threatening side that she only reveals to Katy: I'm your worst nightmare.

As Genevieve's behaviour becomes increasingly twisted, Katy delves into the girl's past, with the help of her best friend Luke. Nothing prepares her for the dark truths that she discovers, or the new romance she finds along the way. Is Genevieve simply a troubled girl with a difficult childhood? Or does something sinister, something supernatural, lie behind her beautiful smile?

Who is the real Genevieve?

Why is she determined to destroy Katy's life?

A rich, twisting thriller of friendship, love and evil that you'll find impossible to put down.

Druid Atticus O'Sullivan hasn't stayed alive for more than two millennia without a fair bit of Celtic cunning. So when vengeful thunder gods come Norse by Southwest looking for payback, Atticus, with a little help from the Navajo trickster god Coyote, lets them think that they've chopped up his body in the Arizona desert.

But the mischievous Coyote is not above a little sleight of paw, and Atticus soon finds that he's been duped into battling bloodthirsty desert shapeshifters called skinwalkers. Just when the Druid thinks he's got a handle on all the duplicity, betrayal comes from an unlikely source. If Atticus survives this time, he vows he won't be fooled again. Famous last words.

Bingtown heiresses rub shoulders with vampires, alien musicians, tramps and feral cats in this wonderful collection of stories.

In 'The Homecoming', Lady Carillion Carrock and a number of other Jamaillian nobles are sailing to the Cursed Shores. Their journey is not by choice: for plotting against the Satrap, their wealth has been confiscated and they have been exiled. Until now, Carillion has done nothing but lead a life of privilege. She believes they are bound for wondrous cities, cities where ancient kings and queens dusted their skin with gold and wore jewels above their eyes. But when she is marooned by the ship's unscrupulous captain, she will soon discover the grim reality of what survival in the Rain Wilds entails.

The Silver Lady is a would-be writer, eeking out a dull existence by working in a Sears store. The one day a man comes in: fortyish, pleasant-looking. Nothing out of the ordinary. Except he says his name is Merlin, and he's about to change her life.

Rosemary got involved with the wrong man. Pell is lazy, good for nothing, a bully. Her best friend Hilia knew it and so did her tom cat, Marmalade. But love is blind: Rosemary had Pell's baby, renovated the cottage his grandfather left in his will, turned its land to good use; and then he left her for another woman. Now he's back, and something must be done ...

Thanks to his father's gambling debts, young Jack Keats finds himself on the streets and trying to survive as a pickpocket, desperate to graft enough coins to keep him and his sister fed.

Inevitably, Jack is arrested and pressed into Royal Aerostatical Navy, where he finds himself assigned to the most useless airship in the fleet, manned by the assorted scrapings of poorhouses, prisons and the press gang. Serving under a captain who is most probably mad, Jack seems to be bound for almost certain death in the far-away deserts of Cassarabia.

Meanwhile, on the other side of the world, Omar Akil, the favoured servant - and some say bastard son - of a rich merchant lord finds his life turned upside down when his master's religious sect is banned. He narrowly escapes the death sentence by entering into the service of the Caliph's military forces -- just as war is brewing.

Two very similar young men prepare to face each other across a senseless field of war. But is Omar the enemy, or is Jack's true nemesis the sickness at the heart of the Caliph's court? A cult that hides the deadly secret to the origins of the gas being used to float Cassarabia's new aerial navy.

If Jack and his shipmates can discover what Cassarabia's aggressive new regime is trying to conceal, he might survive the most horrific of wars and clear his family's name. If not...

Admired fantasy author Ian Irvine delivers a new, fast-paced series, THE TAINTED REALM. It begins with VENGEANCE, a story of betrayal, murder and a girl's hunt for justice in a world where two peoples are divided and mistrust can only lead to war.

In Cython's underground slave camps, only the timid and obedient survive but Tali is neither of these. In Cython, having magic means the death penalty, and Tali's gift is swelling out of her control.

Though no slave has ever escaped, Tali must, for she has sworn to bring her mother's killers to justice. She meets Rix, a nobleman, and together they flee through a land at war, pursued by enemies and allies alike. Before they can solve the crime, and save the realm, they must learn to trust each other.

Rix's subconscious is scarred by a sickening secret that he comes to realise links him to the killing. Tali is hunted by a faceless enemy that can only be beaten by magic. The one person who can teach her how to use her unique and unruly magic is the killer himself.

As she unravels the conspiracy behind her mother's murder, Tali's quest for justice turns to a lust for vengeance. Yet how can she avenge herself on a killer who died two thousand years ago?

The start of an exquisite and gripping new fantasy duology from the critically acclaimed author of THE HUNDRED THOUSAND KINGDOMS.

In the ancient city-state of Gujaareh, peace is the only law. Upon its rooftops and amongst the shadows of its cobbled streets wait the Gatherers - the keepers of this peace. Priests of the dream-goddess, their duty is to harvest the magic of the sleeping mind and use it to heal, soothe...and kill those judged corrupt.

But when a conspiracy blooms within Gujaareh's great temple, Ehiru - the most famous of the city's Gatherers - must question everything he knows. Someone, or something, is murdering innocent dreamers in the goddess' name, stalking its prey both in Gujaareh's alleys and the realm of dreams. Ehiru must now protect the woman he was sent to kill - or watch the city be devoured by war and forbidden magic.

For readers coming to the epic bestselling Dark Tower series for the first time - and for its legion of dedicated fans - a fabulous new book about Roland's first quest and a perfect introduction to the series.

It is a story within a story, which features both the younger and older gunslinger Roland on his quest to find the Dark Tower. Fans of the existing seven books in the series will also delight in discovering what happened to Roland and his ka-tet between the time they leave the Emerald City and arrive at the outskirts of Calla Bryn Sturgis.

This Russian Doll of a novel, visits Mid-World's last gunslinger, Roland Deschain, and his ka-tet as a ferocious storm halts their progress along the Path of the Beam. (The novel can be placed between Dark Tower IV and Dark Tower V.) Roland tells a tale from his early days as a gunslinger, in the guilt ridden year following his mother's death. Sent by his father to investigate evidence of a murderous shape shifter, a 'skin man,' Roland takes charge of Bill Streeter, a brave but terrified boy who is the sole surviving witness to the beast's most recent slaughter. Roland, himself only a teenager, calms the boy by reciting a story from the Book of Eld that his mother used to read to him at bedtime, 'The Wind through the Keyhole.' 'A person's never too old for stories,' he says to Bill. 'Man and boy, girl and woman, we live for them.' And stories like these, they live for us.

Beneath the towering bleached ribs of a dead, ancient beast lies New Crobuzon, a squalid city where humans, Re-mades, and arcane races live in perpetual fear of Parliament and its brutal militia. The air and rivers are thick with factory pollutants and the strange effluents of alchemy, and the ghettos contain a vast mix of workers, artists, spies, junkies, and whores. In New Crobuzon, the unsavory deal is stranger to none--not even to Isaac, a brilliant scientist with a penchant for Crisis Theory.

Isaac has spent a lifetime quietly carrying out his unique research. But when a half-bird, half-human creature known as the Garuda comes to him from afar, Isaac is faced with challenges he has never before fathomed. Though the Garuda's request is scientifically daunting, Isaac is sparked by his own curiosity and an uncanny reverence for this curious stranger.

While Isaac's experiments for the Garuda turn into an obsession, one of his lab specimens demands attention: a brilliantly colored caterpillar that feeds on nothing but a hallucinatory drug and grows larger--and more consuming--by the day. What finally emerges from the silken cocoon will permeate every fiber of New Crobuzon--and not even the Ambassador of Hell will challenge the malignant terror it invokes . . .

A magnificent fantasy rife with scientific splendor, magical intrigue, and wonderfully realized characters, told in a storytelling style in which Charles Dickens meets Neal Stephenson, *Perdido Street Station* offers an eerie, voluptuously crafted world that will plumb the depths of every reader's imagination.

The Gift of Fire

In ancient mythology, the Titan Prometheus was punished by the gods for bringing man the gift of fire - an event that set humankind on its course of knowledge. As punishment for making man as powerful as gods, Prometheus was bound to a rock; every day his immortal body was devoured by a giant eagle. But in *The Gift of Fire*, those chains cease to be, and the great champion of man walks from that immortal prison into present-day South Central Los Angeles.

On the Head of a Pin

Joshua Winterland and Ana Fried are working at Jennings-Tremont Enterprises when they make the most important discovery in the history of this world - or possibly the next. JTE is developing advanced animatronics editing techniques to create high-end movies indistinguishable from live-action. Long dead stars can now share the screen with today's A-list. But one night Joshua and Ana discover something lingering in the rendered footage - an entity that will lead them into a new age beyond the reality they have come to know.

One choice can transform you--or it can destroy you. But every choice has consequences, and as unrest surges in the factions all around her, Tris Prior must continue trying to save those she loves--and herself--while grappling with haunting questions of grief and forgiveness, identity and loyalty, politics and love. Tris's initiation day should have been marked by celebration and victory with her chosen faction; instead, the day ended with unspeakable horrors. War now looms as conflict between the factions and their ideologies grows. And in times of war, sides must be chosen, secrets will emerge, and choices will become even more irrevocable--and even more powerful. Transformed by her own decisions but also by haunting grief and guilt, radical new discoveries, and shifting relationships, Tris must fully embrace her Divergence, even if she does not know what she may lose by doing so. "New York Times" bestselling author Veronica Roth's much-anticipated second book of the dystopian "Divergent" series is another intoxicating thrill ride of a story, rich with hallmark twists, heartbreaks, romance, and powerful insights about human nature.

Sarah Dearly is staked, cursed and still single...so it's time to embrace her inner vamp!

'My name is Sarah Dearly. Fledgling vampire and part-time bartender, at your service. Welcome to my highly dysfunctional life.'

Newly-vamped Sarah Dearly wants her normal life back, but fate is fighting against her. She tries to get a nice, regular job - and gets staked at the interview, only to be rescued by a masked vampire who calls himself the Red Devil. Then a wallflower-turned-witch curses her, making her a bloodthirsty, sun-allergic nightwalker - the worst vampire there is. As if all that weren't bad enough, she can't get married because her 600-year-old boyfriend Thierry is in a centuries-long marriage of convenience he can't escape.

As Sarah's nightwalker tendencies make her more dangerous, even to those she loves, she'll have to counteract that curse, unmask the increasingly intriguing Red Devil, and get a commitment from her man. But if that's what it takes to secure her happiness, Sarah is ready even if it means embracing her inner vamp to do it.

Jack Holloway works alone. Hundreds of miles from ZaraCorp's headquarters on planet, 178 light-years from the corporation's headquarters on Earth, Jack is content as an independent contractor. As for his past, that's not up for discussion.

Then, in the wake of an accidental cliff collapse, Jack discovers a seam of unimaginably valuable jewels, to which he manages to lay legal claim just as ZaraCorp is cancelling their contract with him for his part in causing the collapse. Briefly in the catbird seat, legally speaking, Jack pressures ZaraCorp into recognizing his claim, and cuts them in as partners to help extract the wealth.

But there's another wrinkle to ZaraCorp's relationship with the planet Zarathustra. Their entire legal right to exploit the verdant Earth-like planet is based on being able to certify to the authorities on Earth that Zarathustra is home to no sentient species.

Then a small furry biped - trusting, appealing, and ridiculously cute - shows up at Jack's outback home. Followed by its family. As it dawns on Jack that despite their stature, these are people, he begins to suspect that ZaraCorp's claim to a planet's worth of wealth is very flimsy indeed - and that ZaraCorp may stop at nothing to eliminate the fuzzys before their existence becomes more widely known.

They were taken from their beds one frozen night, when the world was covered in snow. The silhouette of a tall, thin man has haunted Kate ever since. Ten years on, Kate, Michael and Emma have grown up in a string of miserable orphanages, and all memories of their parents have faded to a blur. Arriving at Cambridge Falls, where the rolling fog distorts their sense of time and the town is eerily silent, the children quickly realise there is something different about this place - and Kate feels sure she has seen the dark, crooked house before. Exploring the house, they discover an old, empty leather book. The moment they touch it, an ancient magical prophecy is set irrevocably in motion, and the children are thrown into a dangerous alternate reality of dark enchantments, terrifying monsters, noble dwarves and entire cities buried beneath the earth. Only they can prevent the terrible event that will ruin Cambridge Falls - and stop the world from falling into complete devastation.

It's 1939. The Nazis have supermen, the British have demons, and one perfectly normal man gets caught in between.

Raybould Marsh is a British secret agent in the early days of the Second World War, haunted by something strange he saw on a mission during the Spanish Civil War: a German woman with wires going into her head who looked at him as if she knew him.

When the Nazis start running missions with people who have unnatural abilities, a woman who can turn invisible, a man who can walk through walls, and the woman Marsh saw in Spain who can use her knowledge of the future to twist the present, Marsh is the man who has to face them. He rallies the secret warlocks of Britain to hold the impending invasion at bay. But magic always exacts a price. Eventually, the sacrifice necessary to defeat the enemy will be as terrible as outright loss would be.

Alan Furst meets Alan Moore in the opening of an epic of supernatural alternate history, the tale of a twentieth century like ours and also profoundly different.

Humanity is first subjugated by haughty alien colonizers calling themselves the Jao when Earth is unexpectedly attacked by the implacable and nearly-unstoppable Ekhat, exterminators of all intelligent life not their own. Now the fragile Human-Jao alliance is put to the test. A devastating encounter with the Ekhat in a distant nebula reveals a powerful alien society that may hold the key to defeating the Ekhat once and for all. There's one big problem: they utterly loathe humanity's ally, the Jao. And why shouldn't they? It was the Jao who drove them into hiding in the first place. Once again, everything depends on those innovators and idea-generators, the humans, to quell a brewing war and forge a tripartite alliance of very different species or be blasted to empty cinders if they don't succeed.

An implacable foe with telepathic cohesion in battle, near-immortality, and eons-advanced engineering skills threatens to wipe humanity from the galaxy. What's more, they've overcome their one weakness - no faster-than-light travel - and have followed humanity through our star gates and beyond. But humans are the master of adaption, and have got a counterpunch of devastating proportions in reserve. Now a hard-bitten and brilliant admiral must face down renewed alien attack and somehow communicate to the enemy that if he is forced to use his ultimate military option, galactic civilization itself may come to a fiery end.

WHAT WILL DESTROY ONE CHILD WILL BE THE MAKING OF ANOTHER.

From the icy banks of a secluded country pond to the fevered core of a historic London heat wave and immersion in an abandoned underwater village in the Tuscan mountains, four young people - each of whose lives has been irrevocably altered by water - converge in this brilliantly plotted drama of passion, betrayal, revenge, and redemption.

Owen is haunted by nightmares of the Merfolk. He believes they have stolen his little sister, who vanished while he was meant to be watching her on the beach. But he was only a child himself. Is it fair for his mother to have blamed him all these years?

Catherine's perfect Christmas was ruined when she went skating on a frozen pond with her cousin and the other girl nearly died. Yet it is Catherine who feels, as she says, permanently trapped under the ice.

Sean grew up on a farm in Ireland. Learning to swim in the River Shannon was his way of escaping the bitter poverty of his childhood, but communing with the river spirits incurred his superstitious father's wrath.

Naomi never feared the water. She was orphaned, cruelly abused, and the sea offered a cleansing balm; she reveled in the ocean's power. But Naomi has another secret buried deep within her, and during one searing hot summer she will be the catalyst for the coming together - and tearing apart - of the water children.

In 1946, an alien virus that rewrites human DNA was accidentally unleashed in the skies over New York City. It killed ninety percent of those it infected. Nine percent survived, mutated into tragically deformed creatures. And one percent gained superpowers. The Wild Cards shared-universe series, created and edited by New York Times #1 bestseller George R. R. Martin (called "the American Tolkien" by Time), is the tale of the history of the world since then and of the heroes among the one percent.

Now, in the latest Wild Cards mosaic novel, we get to know the hard-bitten world of Manhattan's Fifth Precinct or Fort Freak as cops and malefactors alike call the cop-shop where every other desk sergeant, detective, and patrol officer is more than human.

Featuring original work by writers such as Cherie Priest, author of the bestselling *Boneshaker*; Paul Cornell, Hugo-nominated comic book and Doctor Who writer; David Anthony Durham, winner of 2009's John W. Campbell Award for Best New Writer; and many others, Fort Freak is one of the strongest offerings yet in the ongoing Wild Cards project.

Even angels make mistakes in this page-turning epic romance

When her parents are murdered before her eyes, sixteen-year-old Helen Cartwright finds herself launched into an underground London where a mysterious organization called the Dictata controls the balance of good and evil. Helen learns that she is one of three remaining angelic descendants charged with protecting the world's past, present, and future. Unbeknownst to her, she has been trained her whole life to accept this responsibility. Now, as she finds herself torn between the angelic brothers protecting her and the devastatingly handsome childhood friend who wants to destroy her, she must prepare to be brave, to be hunted, and above all to be strong, because temptation will be hard to resist, even for an angel.

Michelle Zink masterfully weaves historical fantasy with paranormal romance to create a gripping tale of love and betrayal.

*Neil Gaiman & Dave McKean*

Before introducing the modern version of The Sandman, Neil Gaiman wrote this dark tale that reinvented a strange DC Comics super hero in the Vertigo mold. Featuring spectacular art by Gaiman's frequent collaborator, Dave McKean, BLACK ORCHID is now collected in hardcover for the first time. After being viciously murdered, Susan Linden is reborn fully grown as the Black Orchid, a hybrid of plant and human, destined to avenge her own death. Now, as this demigoddess attempts to reconcile human memory and botanical origins, she must untangle the webs of deception and secrets that led to her death. Beginning in the cold streets of a heartless metropolis and ending in the Amazon rainforest, this book takes the reader on a journey through secrets, suffering and self-discovery

The TARDIS brings the Doctor and his friends to a space tracking base in the Antarctic - and straight into trouble. A space mission is going badly wrong, and a new planet has appeared in the sky.

Mondas, ancient fabled twin planet of Earth has returned. Soon its inhabitants arrive. But while they used to be just like the humans of Earth, now they are very different. Devoid of emotions, their bodies replaced with plastic and steel, the Cybermen are here.

Humanity needs all the help it can get, but the one man who seems to know what's going on is terminally ill. As the Cybermen take over, the Doctor is dying...

This novel is based on the final story to feature the First Doctor, which was originally broadcast from 8 - 29 October 1966. This was the first Doctor Who story to feature the Cybermen. Featuring the First Doctor as played by William Hartnell in his final story, and his companions Ben and Polly.

The TARDIS materialises on Serenity, the last surviving world of the Traken Union. Peri expects a good place for a holiday - not tomb raiders, a labyrinth filled with terrifying monsters and a trap-laden necropolis.

For Serenity's gentle name belies its history as the home planet of the Melkur, soldiers created to serve a long dead dark force, the embodiment of evil itself. Whilst they sleep, vicious thieves are after this force's secrets, and will stop at nothing to find them.

But will they find more than they bargained for?

Centuries ago, a Zygon spaceship crash landed in Loch Ness. Now, with their home planet destroyed, the alien creatures plan to take over Earth. Their most powerful weapon is a huge armoured dinosaur-like creature of terrifying power that they brought to earth as an embryo - the Loch Ness Monster. The Doctor, Sarah and Harry soon discover that the Zygons have another weapon. They can assume the identity of any human they capture.

Who know which of their friends might really be a Zygon?

UNIT faces one of its toughest battles as Broton, Warlord of the Zygons, puts his plan into action and the Loch Ness Monster attacks.

This novel is based on a Doctor Who story which was originally broadcast from 30 August - 20 September 1975.

Tom Baker stars as the Fourth Doctor in the third of five thrilling brand new adventures, with Susan Jameson as Mrs Wibbsey.

Trapped underground, the Doctor and Mrs Wibbsey encounter a small boy who claims to be Aladdin, in search of a fabled lamp. He joins them on their own quest, to find a power source in this weird domain and switch it off.

Many obstacles lie in their way. Vast rooms stuffed with exotic items give way to torch-lit tunnels and deadly precipices. Creatures of mythical proportions lie in wait. Peculiar atmospheres take their toll on them. Perhaps strangest of all, the Doctor's multi-coloured scarf appears to take on a life of its own...

As friends are separated and uneasy alliances are formed, the strange environment attempts to claim them. Will the Doctor and Mrs Wibbsey ever get back to Hexford? And will Aladdin discover who he really is?

With Tom Baker as the Doctor, Susan Jameson as Mrs Wibbsey, Guy Harvey as Aladdin, Sophie Ward as the Storyteller, Terrence Hardiman as the Gryphon, Andrew Sachs as the Scarf, Simon Shepherd as the Magician, and Su Douglas as the Toad, 'Aladdin Time' is the third of five linked stories written by Paul Magrs.

The black-and-red pyramid-shaped Sith case appears innocuous. But with the touch of a button, the door of the case lifts, accompanied by lights and Star Wars sound effects. The secrets within are revealed?the Book of Sith slides into view. The Sith have existed in the galaxy for centuries, lurking, waiting for their chance to seize control. As various Sith Lords emerged and rose to power, they recorded their thoughts, exploits, and plots for Sith control of the galaxy. When they fell, their knowledge vanished with them forever. Or so it seemed. . . . Over the years, these writings were passed among numerous Sith and Jedi, who added their comments to the pages. In his quest for domination, Darth Sidious tracked down what remained of five pivotal Sith texts written by his most powerful predecessors. Then, drawing on the knowledge within the compiled pages, he wrote a sixth text?his own manifesto. Together, these documents, along with several collected objects associated with them, shed light on the philosophy, achievements, and failures of the Sith Order. For years, this collection remained hidden, existing as legend only. But now all who are tempted may unlock the Book of Sith and delve into the dark side. . . . From the creators of The Jedi Path, in collaboration with Lucasfilm, Book of Sith reveals the mystery and madness of the dark side?while introducing new characters, history, as well as sinister insights into what it means to be a Sith Master. Recovered dark side texts: A chronicle by Sorzus Syn of her encounters with Sith Purebloods, explorations in alchemy, and the foundations of the Sith Order. A war journal kept by Darth Malgus during the Great Galactic War, describing methods of war and the campaigns of the Sith army. A source book by Darth Bane that details the idea and the philosophy behind the Rule of Two as well as the training required for a Sith. An instructional manual by Mother Talzin exploring the Nightsisters' use of the dark side and their role as dark side mercenaries in the galaxy. A scientific journal by Darth Plagueis with notes about his experimentation with and manipulation of the Force. Darth Sidious's manifesto about the philosophy and political manipulation that marked his rise to power and established his Empire. Those who added their comments: Darth Sidious, Darth Vader, Asajj Ventress, Yoda, Mace Windu, Quinlan Vos, and Luke Skywalker Removable features: A scrap of a Sith burial shroud, a battle map from the Great Galactic War, a Sith lightsaber crystal, a Nightsister talisman, a diagram detailing Palpatine's political strategies during the Clone Wars, and a propaganda poster for the Galactic Empire, and a note from Luke Skywalker Fully Illustrated, with Removable Features and a Motorized Case Book Dimensions: 8.25" x 6.125" x 0.75" Case Dimensions: 11" x 11" x 6.25" Box Dimensions: 11.75" x 11.75" x 6.5"

There can be no surrender.

There will be no mercy.

It's not just the future of the galaxy at stake

It's the destiny of the Force.

In the stunning finale of the epic Fate of the Jedi series, Jedi and Sith face off with Coruscant as their battlefield. For the Sith, it's the chance to restore their dominance over the galaxy that forgot them for so long. For Abeloth, it's a giant step in her quest to conquer all life everywhere. For Luke Skywalker, it's a call to arms to eradicate the Sith and their monstrous new master once and for all.

In a planetwide strike, teams of Jedi Knights take the Sith infiltrators by swift and lethal surprise. But victory against the cunning and savage Abeloth, and the terrifying endgame she has planned, is anything but certain. And as Luke, Ben, Han, Leia, Jaina, Jag, and their allies close in, the devastating truth about the dark side incarnate will be exposed and send shock waves through the Jedi Order, the galaxy, and the Force itself.

A secret city buried a mile under America is discovered through the leakage of Von Doom radiation--a type of energy emitted only by time-travel devices. The Secret Avengers head underground to a weird metropolis forgotten for decades, because a time machine in the wrong hands is the worst kind of WMD imaginable. Then: MI:13 learns that people are being abducted from villages in the former Yugoslavia--but the British government refuses to act on it. Even the added strength of War Machine and Valkyrie cannot prepare the Secret Avengers for the next level in bioterror. Plus: a can of matter the size of a football, mined from a broken universe, would be enough to turn the Earth into a sun. There are people who would do that either to hold the planet ransom--or just to die knowing they took everyone else with them. And right now there are just three people--Steve Rogers, The Black Widow and Shang-Chi--between us and total annihilation, trapped on a space station in the No-Zone.

*Edgar Rice Burroughs*

In 1888, in a makeshift cabin at the edge of the West African rainforest, a child is born to Lord and Lady Greystoke, a castaway English diplomat and his young wife. After the doomed couple dies, their infant son is raised by the she-ape Kala, who calls the boy Tarzan - White-Skin - in the language of her tribe. As Tarzan reaches adulthood, his strength and agility, quickness of mind, and skill with his father's knife make him the most feared and respected creature in the jungle. But when he encounters others of his kind, including the beautiful Baltimore socialite Jane Porter, he embarks on a far-flung quest for his birthright - the ways of so-called civilized man.

Tarzan first appeared in 1912 in the pages of *The All-Story* magazine and immediately captured the imaginations of American readers young and old. His later triumphs in Hollywood, in comic strips, and on radio and television made him an international pop culture icon. On the occasion of his centenary, The Library of America invites readers to rediscover *Tarzan of the Apes*, the pulp classic by Edgar Rice Burroughs that gave the world the once and forever Lord of the Jungle.

Child of prophecy? Harbinger of Doom

Zaltys is a girl like any other to grow up ranging the jungles of the Southern Lluirwood. She's a crack shot with a bow and no stranger to the dangers that lurk beneath the deep forest canopy.

On expedition with her family to harvest the forbidden terazul flower, a powerful drug that has gathered many a dreamer into its narcotic embrace, Zaltys is about to unearth a truth long buried by the feculent loam of deception.

As the veil is lifted on the world Zaltys thought she knew, a pathway to the Underdark promises the answers her family never gave. Venturing forth in search of truth, Zaltys finds betrayal to be a much easier quarry. But it will take more than a lode of lies to quell the *Venom In Her Veins*

*R A Salvatore, Thomas M Reid, Richard Lee Byers, Richard Baker*

The War of the Spider Queen--the epic, six-book series from the fertile imaginations of R.A. Salvatore and a select group of the Forgotten Realms best-selling authors--begins here. Ten years after its initial publication, we are packaging this ground-breaking series in two attractive collector's editions.

**Dissolution:** While their whole world is changing around them, four dark elves struggle against different enemies. Yet their paths will lead them all to the most terrifying discovery in the long history of the drow and set them on a quest to save not only Menzoberranzan but the entire dark elf race from dissolution.

**Insurrection:** A hand-picked team of the most capable drow adventurers begin a perilous journey through the treacherous Underdark, all the while surrounded by the chaos of war. Their path will take them through the very heart of darkness, and the Underdark will be shaken to its core. If the powerful dark elves falter, the world below is open for insurrection.

**Condemnation:** From the burning sand of Anauroch to the labyrinthine Underdark, an epic quest for the very essence of the Spider Queen takes one startling turn after another. Powerful forces are at work to discover where Lolth has gone. She may return as something greater than she was, or she may have gone from her drow children forever, leaving them to their own devices in a chilling condemnation.

**Legend of Drizzt: Neverwinter Tales** Hardcover \$39.95 [www.infinitas.com.au/Product.php?bar=9781613771563](http://www.infinitas.com.au/Product.php?bar=9781613771563)

*R A & Geno Salvatore*

The most popular character from the most popular fantasy world of all time comes to life in his first original comic book tale! Drizzt leads this massive thriller into R.A. Salvatore's next blockbuster novel! Drizzt and his companion Dahlia hunt for something that seems part vampire and part elite dwarven warrior and must find out how the evil lich Valindra Shadowmantle and her minion Korbin Dor'crae factor into the mystery.

*Christie Golden*

The year is 2494. Almost five years ago, Jim Raynor and Tychus Findlay were members of the Heaven's Devils, an elite Confederate marine unit praised for its nerves of steel and combat expertise. After making a stand against their corrupt commanding officer, the two men were forced to go AWOL or risk being unjustly prosecuted and resocialized. Now, Raynor and Findlay are outlaws hounded by an unyielding interstellar marshal. Life, however, has never been better. Each day is another chance to pilfer more credits from the Confederacy's deep coffers. Each night holds the promise of spending their hard-earned profits in bars, brothels, and gambling halls. But a man can only run so far before the law--and his past--catches up with him.

*Aaron Dembski-Bowden*

The Grey Knights are all that stands between mankind and the ravages of Chaos. Since their secretive beginnings during the Horus Heresy, these legendary Space Marine daemon hunters have journeyed into the dark realms of the warp – and beyond – in pursuit of their supernatural enemies. Through an intensive regime of psychic training, new recruits are brought to the clandestine fortress of Titan to join the hallowed and vaunted ranks of the 666th Chapter. More than ever, these legendary battle-brothers must be vigilant and ever ready to defend the Imperium for the forces of Chaos are never truly defeated, and Armageddon beckons...

***Horus Heresy: Butcher's Nails*** CD \$25 [www.infinitas.com.au/Product.php?bar=9781849701792](http://www.infinitas.com.au/Product.php?bar=9781849701792)

*Aaron Dembski-Bowden*

The primarch Angron: gladiator-king and Horus's lunatic attack dog. Never having hidden his resentment for his brothers, he now carves a bloody swathe through the galaxy in the Warmaster's name, with the Heresy providing a convenient excuse to indulge his love of brutal warfare. When they are tasked with a secretive mission alongside the Word Bearers Legion, the World Eaters' violent tendencies soon attract the attention of xenos raiders, troubled by the portents surrounding the primarch's berserk fury and his ultimate destiny as 'the Blood God's son'...

***The Primarchs (Horus Heresy)*** A Paperback \$18 [www.infinitas.com.au/Product.php?bar=9781849702072](http://www.infinitas.com.au/Product.php?bar=9781849702072)

*Christian Dunn*

Created in the Emperor's own image, the primarchs had long thought themselves to be princes of the universe and masters of their own destiny – they led the Space Marine Legions in glorious conquest of the galaxy, and no enemy of the Imperium could stand against them. However, even amongst this legendary brotherhood, the seeds of dissent had been sown long before the treacherous Warmaster Horus declared his grand heresy. Gathered within this anthology are four novellas focusing on some of the mightiest warriors and leaders that mankind has ever known – Fulgrim, Lion El'Jonson, Ferrus Manus and the twin primarchs Alpharius and Omegon – and the roles that they may have yet to play in a war which threatens to change the face of the Imperium forever.

***Void Stalker (Night Lords 03)*** A Paperback \$18 [www.infinitas.com.au/Product.php?bar=9781849701488](http://www.infinitas.com.au/Product.php?bar=9781849701488)

*Aaron Dembski-Bowden*

Talos and the rest of First Claw continue down their dark path, until it crosses that of the alien eldar - the Farseers of the Ulthwe craftworld divine a great threat posed by the Night Lords, and seek to bring the myriad skeins of fate back into alignment before their prophecy can be fulfilled. With the wrath of the ancients upon them, Talos reluctantly leads his warriors into battle once more...

***Architect Of Fate (Space Marine Battles)*** B Paperback \$20 [www.infinitas.com.au/Product.php?bar=9781849701525](http://www.infinitas.com.au/Product.php?bar=9781849701525)

*Christian Dunn (Editor), Ben Counter, John French, Darius Hinks, Sarah Cawkwell*

Collected for the first time, all four parts of the Architect of Fate novella series are presented in a single printed volume. The infamous Kairos Fateweaver, greater daemon of Tzeentch and master of manipulation, has discovered the limits of his power - even one so prescient as he cannot divine beyond the event horizon at the end of the 41st Millennium. The Space Marines stand against the darkness, and yet on countless battlefields they play unwitting roles in the schemes of Fateweaver. From the doomed world of Taranis, through the embattled corridors of the Endeavour of Will, to the borders of the Eye of Terror itself, friend and foe alike follow the great plan that he set in motion many thousands of years ago. But not even the Architect of Fate himself can foresee the destiny that lies in wait for him...

***Eye of Vengeance (Ultramarines)*** CD \$25 [www.infinitas.com.au/Product.php?bar=9781849701549](http://www.infinitas.com.au/Product.php?bar=9781849701549)

*Graham McNeill & Sean Barrett*

When the twisted Dark Mechanicus priests of the Bloodborn descend upon Quintarn, the Ultramarines are quick to move in defence of their prized agri-world. However, it soon becomes apparent that the planet's fate will not be decided by the massed battle companies of the Space Marines, but by the actions of just one lowly sergeant – Torias Telion. A master marksman and Scout with a long history of service to the Chapter, Telion must now face the worst of the Bloodborn's technological terrors and secure the city of Idrisia from the enemy advance, if the Ultramarines are to have any hope of prevailing against an enemy whose numbers swell with every victory.

Audio drama, approx running time 1 hour, 5 minutes.

Narrated by Sean Barrett, performed by Rupert Degas and Saul Reichlin

***Ultramarines: The Second Omnibus*** B Paperback \$27 [www.infinitas.com.au/Product.php?bar=9781849701730](http://www.infinitas.com.au/Product.php?bar=9781849701730)

*Graham McNeill*

The Ultramarines have been the honourable cornerstone of the Adeptus Astartes throughout their ten thousand year history. Captain Uriel Ventris fights to prove that he is worthy to return to the hallowed ranks of the Chapter after his exile to the Eye of Terror, and that he is free of the insidious taint of Chaos. But as the Iron Warriors move against Ultramar, a grim premonition comes to light: Ventris will have a part to play in the coming war, for good or ill.

The ongoing story of the Ultramarines continues in this omnibus edition, featuring the novels *The Killing Ground*, *Courage and Honour* and *The Chapter's Due*, as well as exciting short stories from New York Times best selling author Graham McNeill.

**How To Paint Citadel Miniatures Part Two:** In the second part of our comprehensive painting guide, the Hobby Team show us how to paint everything from Dark Eldar Kabalite armour to the rotting flesh of a Crypt Ghoul.

**Army Project: Necrons:** Army painter Chris Peach returns to his Necron army, showing us how to paint models from the Nihilakh Dynasty.

**Colours of the Empire:** Each of the Empire's provinces maintains its own standing army of state troops, all of whom proudly wear their state colours. In this article we show you how to paint them all!

**Uniforms & Heraldry of the Empire: Demigryph Knights:** Neil Hodgson and Robin Cruddace present an extra chapter for the Uniforms & Heraldry of the Empire, exploring the various Knightly Orders that ride to battle atop fearsome Demigryphs.

**Tome of Battle: Night Of A Thousand Arcane Duels:** Magical mayhem descends upon the Empire, complete with a new scenario, spells and artefacts for Storm of Magic.

**Death World's Scenery Showcase:** To accompany the new Death Worlds Battle Missions in last month's White Dwarf, Chad Mierzwa made two great scenery sets. We take a closer look at the finished pieces.

## **Warhammer**

***Nemesor Zahndrekh*** Figurine \$29 [www.infinitas.com.au/Product.php?bar=5011921023417](http://www.infinitas.com.au/Product.php?bar=5011921023417)

Nemesor Zahndrekh was once counted amongst the greatest generals in the dynasties. By his campaigns of conquest did the world of Gidrim rise from ruling a small and insignificant planet on the fringes of the galaxy, to the iron-handed governance of a dozen star systems. Zahndrekh's armies are an ever-present peril upon the galaxy's eastern fringe, yet for all his military genius, Zahndrekh does not see reality as it truly is. His mind suffered damage during the Great Sleep and, as a consequence, he is trapped deep in the past, in the Wars of Secession that wracked his corner of the dynasties. In his mind he fights these campaigns still as a creature flesh and blood, crushing rebellious kings and bringing their domains back into the fold. Wherever possible, Zahndrekh ensures that enemy commanders are captured, not killed, and therefore treated as honoured prisoners.

Whilst Nemesor Zahndrekh's mind might not always be in the right place, his phenomenal skills and equipment ensures that he's more than capable of dealing with whatever your enemy throws at him. Able to lend special rules to your other Necron units - and take special rules away from your enemies - Nemesor Zahndrekh is also well-protected and remarkably resilient. If that doesn't annoy your foes, then the fact that he can unleash searing bolts of energy at them will certainly do the trick.

This pack contains Nemesor Zahndrekh - a finely detailed resin cast kit that comes in three components, and is supplied with a 25mm round base. This miniature is supplied unpainted and requires assembly.

***Empire Battalion 2012*** Figurine \$165 [www.infinitas.com.au/Product.php?bar=5011921030569](http://www.infinitas.com.au/Product.php?bar=5011921030569)

The Empire is the largest and most powerful realm in the Old World. Founded by the warrior-god Sigmar, it is built up of city-states and provinces that are now bound together under the rule of the Emperor Karl Franz. Only through the actions of its tireless citizens, valiant heroes and mighty war machines, has it repelled the numerous invasions brought against it. Though the pride of the nation is undoubtedly the cosmopolitan cities where the pinnacle of human achievements can be found, the discipline and martial skill of its professional armies are also rightfully famous throughout the Old World.

The Empire Battalion is the perfect way for a newly enlisted Empire General to start an army. It contains a large number of State Troops, a suitably impressive artillery piece and a unit of highly disciplined Knights to charge gloriously at the enemy. The Battalion is also a fantastic way for existing Generals with established moustaches to expand their Empire forces by adding more regiments and firepower.

This set contains 20 Empire State Troops (which include the option for a command group); 10 State Handgunners (which can alternatively be built as 10 Crossbowmen and includes the option for a command group); a Great Cannon and three crew members (which can alternatively be built as a Mortar); and 8 Empire Knights (which include the option for a command group). These miniature are supplied unpainted and require assembly.

***Vargard Obyron*** Figurine \$27 [www.infinitas.com.au/Product.php?bar=5011921030644](http://www.infinitas.com.au/Product.php?bar=5011921030644)

Vargard Obyron is aide and protector of Nemesor Zahndrekh, and has stood steadfast as his side from their very first campaign. Unlike his master, Obyron is very much aware of the changes wrought upon their existence, but has long since abandoned any attempt to awaken Zahndrekh to reality. So, like any dedicated servant, Obyron attends to all the loose ends created by Zahndrekh's eccentricities, chief of which are seeing to it that 'honoured' prisoners of war are 'killed whilst trying to escape', and that upstart Lords of the Royal Court are either silenced or disposed of.

While Vargard Obyron is the well-known bodyguard for Nemesor Zahndrekh, he is a ferocious military commander in his own right. His marshall skills combined with his immense strength means that he is a warrior that few enemy heroes will want to fight. One wrong move is all it takes for Vargard Obyron to slice them in half. He also possesses the ability to cut through dimensions and reappear across the battlefield, taking with him any of the units that he commands. It's a great way to ensure Vargard Obyron's incredible skills are employed against the most worthy enemy.

This pack contains Vargard Obyron - a finely detailed resin cast kit that comes in two components, and is supplied with a 25mm round base. This miniature is supplied unpainted and requires assembly.

## **Warhammer 40,000**

**Illuminor Szeras** Figurine \$39 [www.infinitas.com.au/Product.php?bar=5011921030651](http://www.infinitas.com.au/Product.php?bar=5011921030651)

Illuminor Szeras labours to unravel the mysteries of life, for he fears that he would be a poor sort of god without the secrets of life at his fingertips. Szeras has been on the bring of understanding for many centuries, yet somehow final comprehension always escapes him. Though this is his obsession, his aptitude for augmenting the weaponry, and even the mechanical bodies of his fellow Necrons, is peerless. On occasion, Szeras' talents are in such demand that he can name his own price - invariably a harvesting raid targeted against a world of his choosing. Above all, Szeras cherishes Eldar subjects, as they inevitably produce more intriguing results than any other of the galaxy's creatures. Once seized, his specimens can look forward only to a pain-filled, though not necessarily brief, existence in the bloodstained laboratory catacombs of Zantragora.

Illuminor Szeras specialises in delivering pain to your enemies. His gaze of flame means that any foes that manage to get close to him will be stopped in their tracks. That's quite handy, really, as he can then examine their suitability for being harvested and taken back to his laboratory. Of course, if he's already obliterated them from the other side of the battlefield with his eldritch lance, then their charred remains might not be of much practical use. Still, there's probably plenty more where they came from.

This pack contains Illuminor Szeras - a finely detailed resin cast kit that comes in seven components, and is supplied with a 40mm round base. This miniature is supplied unpainted and requires assembly.

**Necron Triarch Stalker** Figurine \$79 [www.infinitas.com.au/Product.php?bar=5011921030668](http://www.infinitas.com.au/Product.php?bar=5011921030668)

Like an enormous mechanical spider, a Triarch Stalker looms over the battlefield with its multiple slicing limbs and devastating weaponry controlled by a high-ranking Triarch Praetorian. When a Triarch Stalker advances, it does so with a speed and surety that belies its jerking gait. Indeed, it can cover all manner of terrain with a deftness and precision seldom found in the walkers of less advanced races. While the Triarch Stalker can mount a wide array of anti-infantry and anti-armour weaponry, it is most commonly employed as a dedicated tank-hunter. They can easily outmanoeuvre more cumbersome tracked vehicles, the better to unleash their withering firepower against the thinner armour presented by the target's flanks and rear.

Your Triarch Stalkers can often be found at the head of your Necron assault, scuttling in front of your legion to tackle those particularly stubborn foes. Like all Necron commanders, you will have factored in a requirement for destroying tanks, and the Triarch Stalker's focussed heat ray will do the job nicely. Once you run out of tanks to destroy, you can then set to work on wiping out any infantry.

This multi-part plastic boxed set contains 75 components with which to build one Necron Triarch Stalker, and comes with two Necron transfer sheets. This kit is supplied unpainted and requires assembly.

**Necron Tomb Blades** Figurine \$66 [www.infinitas.com.au/Product.php?bar=5011921030675](http://www.infinitas.com.au/Product.php?bar=5011921030675)

The Tomb Blade has a curious motion for a craft of its design, eschewing the arrow-straight attack vectors of other jetbikes and fighter craft. It often corkscrews across the battlefield rather than taking a more direction approach. No flesh and blood pilot could ever hope to contend with such an anarchic approach without succumbing to blackouts and nausea, but such hazards have no hold over machines. Tomb Blades often operate far ahead of the main army, striking at lightly defended positions, supply convoys and other targets of opportunity. Such is the Tomb Blade's unpredictable advance that the piercing white of its dimensional repulsors is often the only clue to its approach. Astute enemies dive for any cover they can find; others disintegrate as the air around them explodes in a blaze of unstable energy.

Tomb Blades are the perfect unit for taking out your enemy's most irritating units. People who fight against your Necron Army imagine them to be an implacable wall of metal, which advances steadily across the battlefield. Your enemies will be pretty surprised, therefore, when a wave of razor-sharp, fast-moving Tomb Blades descend from the sky and mow down their troops with concentrated Tesla fire.

This multi-part plastic boxed set contains 162 components with which to build three Necron Tomb Blades. This set comes with two small flying stems, two long flying stems, three small flying bases and two Necron transfer sheets. This set is supplied unpainted and requires assembly.

**Necron Canoptek Wraiths** Figurine \$79 [www.infinitas.com.au/Product.php?bar=5011921030682](http://www.infinitas.com.au/Product.php?bar=5011921030682)

While a Tomb World slumbers, Canoptek Wraiths are its eyes and ears. Canoptek Wraiths flit silently through the dusty halls, patrolling for intruders and inspecting systems for damage and decay. Its most notable feature is its dimensional destabilisation matrix - a phase shifter that allows it to skip in and out of reality. While originally designed to allow a Canoptek Wraith to reach into and repair solid machinery, the dimensional destabilisation matrix is no less valuable when dealing with intruders. A Canoptek Wraith can phase its claws and tendrils inside an opponent, swiftly resolidifying them to sever arteries, nerve clusters and other vital pathways without leaving an external mark to show for it.

There's always going to be an enemy unit that's going to mess with your strategy, and the Canoptek Wraiths are ideal for taking down that unit. Because of their speed and their ability to move undeterred through terrain (quite literally), the Canoptek Wraiths can soon hunt down the most irritating models within your enemy's army, no matter where they're hiding, ensuring that your well-calculated plans are brought back into line.

This multi-part plastic boxed set contains 135 components with which to build three Necron Canoptek Wraiths. This set comes with three 40mm round bases. This set is supplied unpainted and requires assembly.

**Necron Canoptek Spyder** Figurine \$55 [www.infinitas.com.au/Product.php?bar=5011921030699](http://www.infinitas.com.au/Product.php?bar=5011921030699)

Unlike their Necron masters, Canoptek Spydery never sleep, but while away the aeons servicing the structures of their Tomb World. Though the Canoptek Spyder is essentially an automated drone, it is still a formidable foe when the situation demands. Any enemy foolish enough to stray within reach of the Canoptek Spyder will have flesh scoured from bone by an array of mechanical tools and pincers. If a triad of Canoptek Spydery operate together, one takes overall command, harnessing the processing capacity of the others to create a supermind far greater than the sum of its parts. This hyper-efficiency is passed on to all Canoptek Wraiths and Canoptek Scarabs in the immediate vicinity, allowing a co-ordinated and precise response to any threat - and ensuring the safety of their slumbering masters.

When it comes to ferocious mechanical constructs, you can't get much nastier than a Canoptek Spyder. If it isn't tearing apart enemy infantry or tanks with an array of hooks and blades, then it can be used to repair your damaged vehicles. The icing on the cake (or the chip on the circuit board - whatever the Necron equivalent of cake is) is that, even in the heat of battle, it can spawn Canoptek Scarabs to boost your war efforts and irritate your foes.

This multi-part plastic boxed set contains 30 components with which to build one Necron Canoptek Spyder. This kit comes with two ball socket stems and one large flying base. This kit is supplied unpainted and requires assembly.

### **John Kenneth Galbraith**

*The Affluent Society* B Paperback \$29.95 [www.infinitas.com.au/Product.php?bar=9780140285192](http://www.infinitas.com.au/Product.php?bar=9780140285192)

As relevant today as when it was first published over forty years ago, *The Affluent Society* was recently named one of the New York Public Library's 'Books of the Twentieth Century'. Wittily, gracefully, devastatingly, Professor Galbraith attacks some of our most cherished economic myths. Why worship work and productivity if many of the goods we produce are superfluous – artificial 'needs' created by high-pressure advertising? Why begrudge expenditure on vital public works while ignoring waste and extravagance in the private sector of the economy? Classical economics was born in a harsh world of mass poverty, and has left us with a set of preconceptions ill-adapted to the realities of our own richer age. And so, too often, 'the bland lead the bland'. Our unfamiliar problems need a new approach, and the reception given to this famous book has shown the value of its fresh, lively ideas.

***The Tainted Throne*** (*Empire of the Moghul*) Trade Paperback \$29.99 [www.infinitas.com.au/Product.php?bar=9780755347612](http://www.infinitas.com.au/Product.php?bar=9780755347612)

The greatest story you never knew - how one of the most powerful empires in the history of the world rose to greatness, and destroyed itself.

The brutal battle for power continues in the fourth book in the epic Empire of the Moghul series.

Agra, India, 1606. Jahangir, the triumphant Moghul Emperor and ruler of most of the Indian subcontinent, is doomed. No amount of wealth and ruthlessness can protect him from his sons' desire for power. The glorious Moghul throne is worth any amount of bloodshed and betrayal; once Jahangir raised troops against his own father; now he faces a bloody battle with Khurram, the ablest of his warring sons.

Worse is to come. Just as the heirs of Timur the Great share intelligence, physical strength and utter ruthlessness, they also have a great weakness for wine and opium. Once Jahangir is tempted, his talented wife, Mehrunissa, is only too willing to take up the reins of empire. And with Khurram and his half-brothers each still determined to be their father's heir, the savage battle for the Moghul throne will be more ferocious than even Timur could have imagined...

### Robert J Shiller

***Finance and the Good Society*** Hardcover \$39.95 [www.infinitas.com.au/Product.php?bar=9780691154886](http://www.infinitas.com.au/Product.php?bar=9780691154886)

The reputation of the financial industry could hardly be worse than it is today in the painful aftermath of the 2008 financial crisis. New York Times best-selling economist Robert Shiller is no apologist for the sins of finance--he is probably the only person to have predicted both the stock market bubble of 2000 and the real estate bubble that led up to the subprime mortgage meltdown. But in this important and timely book, Shiller argues that, rather than condemning finance, we need to reclaim it for the common good. He makes a powerful case for recognizing that finance, far from being a parasite on society, is one of the most powerful tools we have for solving our common problems and increasing the general well-being. We need more financial innovation--not less--and finance should play a larger role in helping society achieve its goals.

Challenging the public and its leaders to rethink finance and its role in society, Shiller argues that finance should be defined not merely as the manipulation of money or the management of risk but as the stewardship of society's assets. He explains how people in financial careers--from CEO, investment manager, and banker to insurer, lawyer, and regulator--can and do manage, protect, and increase these assets. He describes how finance has historically contributed to the good of society through inventions such as insurance, mortgages, savings accounts, and pensions, and argues that we need to envision new ways to rechannel financial creativity to benefit society as a whole.

Ultimately, Shiller shows how society can once again harness the power of finance for the greater good.

***Killer Elite*** B Paperback \$24.99 [www.infinitas.com.au/Product.php?bar=9780304367276](http://www.infinitas.com.au/Product.php?bar=9780304367276)

The inside story of America's most secret Special Forces unit

America's most secret Special Forces unit does not even have a name. Formed as the 'Intelligence Support Activity', it has had a succession of innocuous titles to hide its ferocious purpose. It exists to 'undertake activities only when other intelligence or operational support elements are unavailable or inappropriate'. Translated from Pentagon-speak, this means operating undercover in the world's most dangerous places, penetrating enemy organizations including Al Qa'eda, Hamas and Islamic Jihad. 'The Activity' combines the spy work of the CIA with the commando/SAS role of the Green Berets. It not only provides the intelligence on the ground - it translates it into 'direct action'. This is the unit that located Saddam Hussein. It is now dedicated to the hunt for Osama bin Laden. From its creation, in the wake of the abortive Iranian Hostage rescue mission, to the rescue of hostages and the killing of terrorist leaders, this is the untold story of America's secret soldiers.

***Task Force Black: The explosive true story of the SAS and the secret war in Iraq*** B Paperback \$24.99

[www.infinitas.com.au/Product.php?bar=9780349123554](http://www.infinitas.com.au/Product.php?bar=9780349123554)

The real story of Britain's war in Iraq has never been told - until now . . .

The book the MoD doesn't want you to read' Daily Mail

Soon after British and American forces invaded Iraq they faced an insurgency that was almost impossible to understand, let alone reverse.

Facing defeat, the Coalition waged a hidden war within a war. Major-General Stan McChrystal devised a campaign fusing special forces, aircraft, and the latest surveillance technology with the aim of taking down the enemy faster than it could regenerate. Guided by intelligence, a small British special forces team met the car bombers' fire with fire and accounted for thousands of insurgents.
